

GOLDS AND FLU BEST TREATED WITH CALOTABS

The New Perfected Calomel Is Free
from Nauseating and Salivating Effects.

Physicians or druggists will tell you that the best thing in the world for a cold, gripple or influenza, is Calotabs, the perfected calomel, that is free from nauseating and salivating effects. Doctors have learned that other laxatives are uncertain and unsatisfactory for cold and gripple, but that they can count on Calotabs, the new calomel, that has all the liver benefits and none of the sting, to thoroughly arouse the liver and put the system in ideal condition to throw off the cold and prevent influenza and pneumonia.

The best time to take Calotabs is at the first sign of a cold. If you take it at the beginning you can cure a cold over night. One Calotab on the tongue at bed time with a swallow of water—that's all. In the morning you wake up feeling fine with a hearty appetite for breakfast. Your cold has vanished and you may congratulate yourself that you have possibly prevented serious complications, for physicians tell us that neglected colds number their victims by the millions.

For your protection, Calotabs are sold only in original sealed packages, price thirty-five cents. Your druggist will supply you, and your money given back promptly and cheerfully if you are not delighted with this new form of Calomel.—(adv.)

Death of Mrs. L. E. Rodecker.

Mrs. L. E. Rodecker died at the Homan Sanatorium, El Paso, Tex., Friday evening, Jan. 24, 1919, at 7:35 o'clock. Mrs. Rodecker had been sick for two or three months before she went to Texas and was in the sanatorium there two months and fifteen days.

Louanna Evelyn Fernstrom was the daughter of Albert and Samantha T. Fernstrom. She was born at Jackson, Tenn., thirty-two years ago, her age being 32 years, 5 months and 24 days. While a little girl the family moved to Greenfield, Tenn., thence to Martin. Mrs. Rodecker graduated as trained nurse at the Woman's Hospital, Nashville, and in 1912 came to Union City, entering here with Dr. W. A. Nailling in charge of the Nailling Hospital, where her work has developed far beyond the proportions of the art and skill of nursing into the broader and more humanitarian field of relieving and comforting the sick.

Mrs. Rodecker is survived by her parents and by sister and brothers as follows: Mrs. Louella Hollomon, R. A., L. R. and R. C. Fernstrom. She became a member of the Christian Church at an early age and her life was a beautiful example of the Christian spirit. What could be more blessed than visiting and healing the sick, comforting and lifting the hearts of those who are in distress.

During her stay in Union City Mrs. Rodecker has worked incessantly and under the greatest strain, which is bound to follow that of an assistant in the operating room, in which she had become so well known here and into the borders of other States. She finally succumbed to the inroads of disease and thus gave a life that others might enjoy the blessings of health and strength.

There are hundreds, perhaps many hundreds, who have learned to bless her name. She died conscious to the last, and to her very dear companion and friend, Miss Mayme Doyle, who was with her, gave the directions of her funeral and private interests.

The remains were shipped to Union City and reached here Wednesday. They lay in state at the hospital until Thursday morning and were then carried to the First Christian Church, where the minister paid a glowing tribute to the memory of Mrs. Rodecker.

Interment was held at East View Cemetery and the many beautiful flowers were a glorious tribute to the dead.

The Senator's Work.

To the People of Obion County: It is but just to you, as your Senator, that I report my work for the few weeks of this short session, after I had given my attention to the personnel of Obion County who were applicants for a position in the State Senate, Colonel Cochran, Sergeant at Arms; Miss Manley, Engrossing Clerk, and Mr. Harold Caldwell, Journal Clerk, who all were successful in securing their positions.

I am now giving my entire time to the gathering of figures and evidence to ascertain the amount of money spent for printing county and State documents. I find upon investigation this is more enormous than one would imagine, and I am confident that I will be able to enact a law that will be a great saving to the tax payers of my county and State.

I had the honor of leading the fight against the repeal of the anti-cigarette law of our State. It was recommended for passage by the temperance committee. The purpose of this bill was to bring back the cigarette to the counter for sale as any other merchandise. I succeeded in having it referred to another committee.

I am giving special attention to the transferring of the Department of Game, Fish and Forestry to the Agricultural Department. I believe my district has gotten great benefit out of the administering of the game and fish laws of the State, as they have been executed in a beneficial way for the greater good of all our people.

I shall always be interested in the people of Obion County, and with best wishes for all, I am

Most respectfully,
D. P. CALDWELL.

Paul Payne.

Paul Payne was born Feb. 20, 1893, departed this life Jan. 20, 1919, age 25 years and 11 months.

He professed religion in August, 1915, during a revival conducted by Rev. H. A. Butts. His quiet disposition and christian walk endeared him to all who knew him. Paul was called to the colors June 25, 1918. He was sent to Camp Gordon. After several weeks training he sailed for France August 25, 1918, where he fought for his country. He returned to the States Dec. 23, 1918, where he was sent to a hospital in New York. It was there he breathed his last.

His remains were shipped to Union City Jan. 25, 1919, just seven months from the day he left home. Funeral services were held at Shady Grove Sunday, Jan. 26, 2 p. m., conducted by the pastor, Rev. G. W. Evans, after which the body was laid to rest in the church cemetery to await the resurrection morn. The following soldier boys acted as pall bearers: Lieut. Herbert Quinn, Pierce Pardue, Glynn Brown, Lewis Allen, Claud Rowland, Evans Thomas, Jack Keene and Ardell King.

Truly a noble boy, a dutiful son, a devoted brother, a brave soldier has gone to his reward. He leaves a widowed mother, Mrs. Nannie Payne, three sisters, Mrs. Clarence Matthews, Mrs. Will Patrick, Mrs. Elbert Austin, and three brothers, John, Dennis and Sam Payne, a host of relatives and friends to mourn their loss.

We extend to the bereaved mother, sisters and brothers our deepest sympathy and our abiding faith in the Heavenly Father "who doeth all things well." And we rejoice in the prospects of again meeting him "in the sweet by and by."

A FRIEND.

Another Business Record Established

THE HOUSE THAT HAS GAINED

500

PER CENT

In Its Seventh Year of Existence

Ever since my opening in business seven years ago, this store has made uninterrupted, consecutive, and substantial gains. Despite 1917 having been the best year in my business career, and notwithstanding the loss of many individual customers who entered military service during the year just passed, every month showed a very substantial increase over the same month of 1917, a total gain of 35 per cent for the year 1918, and a complete gain of 500 per cent over the first year's business.

This phenomenal, gain which I believe sets a record for solid growth in the retail business, was brought about by the business principles practiced by this store—

Honesty
Sincerity of purpose
Prompt and efficient service
Featuring only dependable
merchandise, and
Strictly one price to everybody

I wish at this time to offer my sincere thanks and deep appreciation to my many friends and customers who have made these gains possible, and by the business policies as in the past, I hope to experience the same growing success during the coming years.

My resolutions for 1919 and years to come:

To serve you better
To serve you well
To make each sale a stepping stone
Toward your perfect confidence

Resolutions of Respect.

In view of the wisdom and manifested power of Him who is all wise, in the calling of Mr. Claud Williams from this world to a better one on Jan. 18, 1919, be resolved:

First, that we at all times bring our lives into subjection to His divine will.

Second, that we, as a body of Christians, extend to brother and sister Captain Williams our profound sympathy in the loss of their only son.

Third, that we commend them to the Father of the fatherless, who gives strength in time of weakness and sympathy in time of sorrow.

Fourth, that a copy of these resolutions be sent to The Commercial at Union City, also to Brother and Sis-

ter Williams, and spread on church minutes at Campbells Grove Baptist Church.

Death of Little Baby.

Martha Frances, the ten-months-old baby of Mr. and Mrs. Henry Jackson, died in Mississippi Sunday night and was brought to Union City and buried in the Old Republican Cemetery Tuesday. Funeral services were conducted by Rev. Todd. Mrs. Jackson is a daughter of Mr. J. E. Cloar and she has many friends here who deeply sympathize with them in the loss of their darling baby girl.

Father, mother, two sisters and a brother survive.
