### Christian Endeavor.

The Christian Endeavor Society of the C. P. Church gave a very interesting program at the church hour last Sunday evening. The program consisted of special music by the choir and a solo by Miss Lonelle Marshall. The speaker of the evening, Hon. Jno. R. Walker, Jr., of Trenton, gave a very interesting and helpful talk on "Devotion to Duty, Particularly to Country." Mr. Walker was a scout in the "Fighting Third" Division and illustrated his talk with interesting examples taken from actual observation. Mr. Walker stressed the need of teaching our children that they are Americans and what America stands for.

Mr. Walker requested that a collection be taken to decorate the graves of our boys in France and Germany. Any one desiring to contribute to this fund will please see Warren Reeves or Miss Addie Walker. The money will be forwarded through the Chicago Tribune.

### Weatherspoon-Harrison.

The beautiful home of Mr. and Mrs. J. W. Harrison was the scene of a pretty wedding on last Saturday evening when their daughter, Lera, became the bride of Mr. Cecil Weatherspoon, Rev. Warren, of Fulton, officiating in the presence of a large gathering of friends and relatives.

The home was beautifully decorated in flowers, the color scheme of pink and white being carried throughout.

Miss Thelma Rives presided at the piano, and at the strains of Mendelssohn's Wedding March the bridal party came down the stairway and under an arch of flowers the impressive ceremony was said. The bride was attended by her sister, Miss Nannie Harrison, and the groom by Mr. Allen Austin.

The bride was gowned in a beautiful white dress with hat to match and carried a shower bouquet of bride's roses and valley lilies.

Her sister, Miss Nannie Harrison, was dressed in a very becoming dress over pink silk and carried a bouquet of pink carnations.

After the ceremony the company was invited to the dining room where ice cream and cake were served.

Mr. and Mrs. Weatherspoon will be at home to their friends in Fulton, Ky. Congratulations are extended.

### Broke the Record.

The Union City party going to the trap shooting at Clarksdale, Miss., has new honors in the record of Mr. Paul Johnson, who last Monday broke 99 out of a total of 100 pigeons. This is the first time this has been done and it was not by a professional.

## Our Congressman

What does he think of the farmer? Was he ever a farmer himself? Does he care more for free seeds for city folks than for county agents for farm folks? Is he for the farmers, now that he's elected, or has he forgotten them?

## The COUNTRY GENTLEMAN

has been hunting up the farmers in Congress—and, let me tell you, it's like hunting for a needle in a haystack. At any rate, it is finding out who are the farmers' friends, and that's something to know.

In the issue of THE COUNTRY GENTLEMAN that will be out next week there's a big article called "How Congressmen Vote." I wish you'd read it—it sure is an eye-opener. There's an election coming on, and the farmers should know who are their friends in Washington. THE COUNTRY GENTLEMAN will keep you posted if you read it every week and follow its Washington dispatches. . . . Best way to get them is by subscribing. Comes right to your mail box 52 times a year—a great, big farm weekly, full of fine, friendly articles.

And it Costs Only \$1.00 for a Whole Year.

## INDIAN EX-CRIMINALS SPIN SALVATION WITH SILKEN THREAD

Hindoo woman reeling silk under Salvation Army tutelage. (Insert) Former criminal chief who has been led to better ways by the Salvationists.

Silk, silk and salvation form a combination that is working miracles beneath the tropic sun of India.

Sin has rocked in the very cradles of the criminal tribesmen for centuries. That same vicious system of caste which has sentenced the son of a weaver to weave and the son of a storekeeper to keep store has through ages condemned the son of a criminal tribesman to rustle cattle, pillage and commit murder.

But now the Salvation Army by using silk to take the sin out of the "crim" is bringing about both the material and spiritual salvation of a people.

These criminal tribesmen, gathered into settlements by the British government, were taken in hand by the Salvationists, were taught to care for the mulberry trees, to rear the silk worms,

to reel and weave the silk. They have ceased to be criminals. They have become expert weavers, and they like their new jobs. They work at them more industriously than they ever did at banditry. And they are now reeling and weaving more than a ton of raw silk a month.

In each country the Salvation Army adapts its methods to the peculiar needs. Here in the United States it does a great work among the prisoners in penitentiaries. It maintains nurseries in the slums, rescue homes and maternity hospitals, industrial and Americanization centers and institutions of many other kinds. To support these during next year the Army will ask the people of this country to contribute \$10,000,000 during its 1920 Home Service appeal from May 10 to May 20.
