The New Bank Starts Business

For the first time in Ter history Maryville now has a National Bank. Some time ago a movement was placed on foot by some of the younger business men of Maryville, to organize a National Bank for our city. Many were the difficulties to be overcome, but with this class of men, there is no such thing as fail. Maryville has grown and developed until we really needed a new bank. There are no better banks, according to their size than the "Old Reliable Bank of Maryville and the Bank of Blount County. They have served the people faithfully and there is no reason why they should not prosper in the future as in the past.

Our new Bank, the First National purchased and equipped with the latest and modern furniture the building which they occupy. Every feature is nice and neat.

On Wednesday they had their opening. A large number was present to enjoy the auspicious occasion. Talks were made by Hon. T. N. Brown, the President; E. F. Ames the Cashier; and J. H. Staley, the Vice President; telling the reason why the bank was organized.

The first depositor in the Savings Department, was a little girl by the name of Harris from Bank, depositing \$10. The first boy depositor was named Williams son of Mr. Williams of Williams Bros., millers of our city.

Nice souvenirs were given the ladies present by the way of flowers and every one present had a most delightful time.

Rev. J. T. Sexton, the "Blacksmith" preacher paid our city a visit Thursday.

M. H. Wilson Manager

Maurice Wilson will soon take the place as Manager of the Local Bell Telephone Exchange instead of Carl G. Hammer, who has resigned to accept a better position. Mr. Hammer has met with great success as Manager of the Bell Co., and his many friends here who are sorry to have him leave. Mr. Wilson is one of Maryville's energetic young men, and will no doubt meet with great success.

Willocks--Brown

On last Saturday evening at the office of Esq. A. M. Rule, occurred the marriage of Mr. Horace Willocks and Miss Ova Brown, the Esquire tying the knot. Miss Brown is the eldest daughter of Mr. and Mrs. John Brown, who reside east of town, and is a very popular young lady, well liked and highly respected by all who know her.

Mr. Willocks is one of Blount's promising young men. We join with many others in wishing the happy couple, all the success and happiness life affords.

Henry Hayes, an engineer on a railroad in Ohio, has been at the bedside of his father, C. J. Hayes of our city. All of his children with the possible exception of Albert who is in the hospital and can't get here, are at his bedside. Mr. Hayes is still very low and grave doubts are entertained as to his recovery. Friends are sorry to learn that he is so bad and can't possibly live.
