"I wouldn't take a thousand dollars for the good VINOL has done me. I was told that Cod Liver Oil was the medicine I needed for my weakened condition and poor blood. I could not take the greasy mixture, and when our druggist told me that VINOL contained not only tonic iron but all the medicinal properties of Cod Liver Oil without the grease or oil or bad taste, I made up my mind that was the medicine for me. I tried it and to-day am strong and well."

MRS. J. T. SNYDER,

We guarantee the genuineness of the above testimonial.

We sell VINOL with the understanding that if it does not give the purchaser perfect satisfaction, we return his money without question. Will you try a bottle under these conditions?
