

"Dear Old Santa Claus" Home and Headquarters

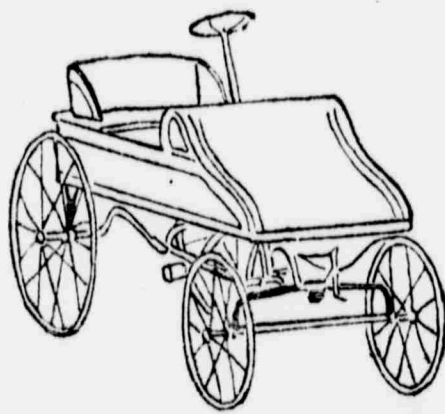

This Merry Christmas Tide finds us with the largest and most complete line of Gift and other Christmas Goods ever displayed in St. Lucie county. This is a broad assertion, but when you have seen our stock thoroughly, and have given it the proper inspection, you will appreciate this statement. We do not mean quantity and variety only, but we mean a superior quality as well. You are to be the judge, not us. Come to COBB'S for your Christmas Goods.

Dolls, Toy Automobiles, Jewelry and Comb and Brush Sets

Our Dolls are nicer and more life-like than ever before. They vary in size from 1 inch to 21-2 feet. A great many of the heads of these dolls are made from metal, celluloid, rubber and other indistructable materials.

Our Comb and Brush Sets are of a high quality. Good value in every line.

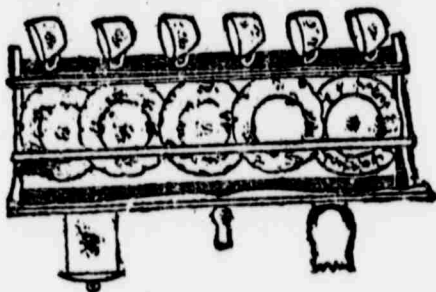

Our Stock of Jewelry is, as usual, well assorted and of carefully selected articles to suit all. Watch Fobs, Cuff Buttons, Tie Pins, Tie Clasps, Belt Buckels, Belt Pins, Collar Pins, Beauty Pins, Etc.

Our Little Automobile is one of the many things which gives the little boys lots of fun.

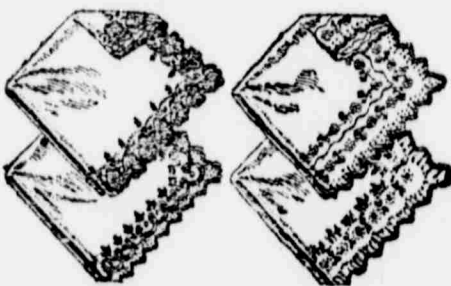

China and Cut Glass

Here is where we shine. Our stock is great, our quantity is great and our quality is great. The touch of the artist's brush is seen on a great deal of our china, while others are only reproduced. Our Cut Glass sparkles like diamonds and rings like bells.

Linen

Some of the best and most appropriate gifts any one can give or take are Table Cloths, Doilies, Handkerchiefs or something of the kind.

Tobacco Sets

Make yourself less trouble and make less trouble for the one who smokes, by presenting him with one of our beautiful Smoking Sets.
