

Local and Personal

Friday, July 21, 1922

An important business meeting of the Home and School Association will be held at the High School this evening, July 21st, at 8 o'clock. All patrons and interested citizens are earnestly requested to be present.

M. Bird McConney was recently operated on for the purpose of removing a growth of bone from his leg. We understand the operation was successful and that he will soon be able to return home.

Due to heavy rains above and around us, the Western and Collington Branches had the highest water here on Friday last for many years. For the first time since the State road was built, the water was over the road at Coale's place, and between the bridges all traffic was cut off for several hours, the water being very swift and about four feet deep.

The Ladies of the Church of the Atonement at Chittenden will hold an Ice Cream and Sandwich sale on Friday, July 28th, in the Church Grove. All are cordially invited to attend; proceeds to go toward parish support; beginning at 4 p. m. If raining next fair day.

The annual Tournament and Base Ball Carnival at St. Peter's Church, near Waldorf, Tuesday, August 22, \$75 awarded in prizes. Everything will be done for your pleasure. Admission 50 cents.

In Memoriam

In loving remembrance of my wife, Bessie, who departed this life one year ago today, June 17, 1921. I often sit and think of you, When I am all alone, For memory is the only friend, That grief can call its own. We cannot understand why we must part, From those we love so dear, But God, who doeth all things well, Will sometime make it clear. —By her husband, J. Keener Scott.
