Desserts of Left-Over Cake Crumbs Added Motive For Cake Baking

The grand uses to which one can put left-over cake crumbs is motive enough in itself for cake baking. With this thought in mind, the housewife should never hesitate to bake a cake as one cake can go into the makings of dozens of fine desserts, provided, of course, that there is any left-over.

CAKE CRUMB MOUSSE

Put all left-over pieces of cake, including the frosting, into a tin and dry, put through the food-chopper, place in the open to dry out. When whip cream and add mashed fruit and cake crumbs. If the crumbs are quite sweet because of the frosting, add no more sugar. A little almond extract will make the cake crumbs in the cream taste like macaroons.

CHOCOLATE ICE BOX CAKE

Put dry chocolate cake through food chopper. Take two cups of dry crumbs, add 2 beaten eggs, and fold in 1-2 pint of whipped cream. Put in a mold and set in the refrigerator to chill.

FRENCH CREAM AND SPONGE CAKE

1-4 cup flour

1-4 cup sugar
1 cup scalded milk
1 egg
3-4 teaspoons orange extract
Dry sponge cake
2 drops Benedictine flavoring
Moisten the flour and sugar with a little cold milk until a smooth paste is formed. Add to the scalded milk and cook fifteen minutes, stirring constantly. Beat the egg, add to the mixture and return to the stove and cook about two minutes. When cooled flavor with orange extract and Benedictine flavoring. Arrange dry sponge cake around inside of parfait glasses pour over them additional Benedictine flavoring and pile the French cream in the glasses. Garnish with whipped cream.

FRUIT CUP WITH CAKE CRUMBS

2 cups diced fruit
Sugar to taste
1 cup cream
1-2 cup dried cake crumbs
Whip the cream fold in the cake crumbs and fruit. Sweeten to taste. Pile mixture in sherbet glasses and serve.

RADIANT LIVING

The Channel of Power

By

REV. C. M. GRIFFITH

Cecilton, Md.

Nearly everyone recognizes today the value of right thinking. But very

few practice it.

It is just as important to think right as it is to multiply correctly. But right thinking however involves spiritual thinking. Any thinking that neglects, omits, or excludes the consideration of God's truth and its application to one's life, or one's relationship to God, is erroneous thinking and can never bring one to the solution of his problem.

This is why the greatest of all teachers directed us to seek first the kingdom of God and His righteousness.

The more spiritual is your thinking, the larger and the clearer is the channel through which the divine blessings and the heavenly aids will flow into your life.

In the first place spiritual thinking will safeguard you from making the many mistakes and fall into the many miseries which are experienced by those who try to live independently of God.

Spiritual thinking will daily bless you because it continually brings your mind into a harmony with the Divine Mind. It erects something of a "Jacob's ladder" down which come the angels of God to bring to you the messages by which God seeks to direct your life toward success and happiness.

Like turning the dial of your radio to get the program you want, spiritual thinking tunes your mind to receive from the divine mind clearer comprehension of that truth which blesses your life.

Spiritual thinking is the channel of that power that will make your life radiant.

THE TRUTH
SIMPLY
TOLD

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory value. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys fail, and diuretic medicine would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

CREAM OF OYSTER SOUP

1 quart milk
1-2 small onion
2 springs parsley
2 branches celery
1-4 cup butter
1-4 cup flour
1 cup cold water
1 quart oysters
1-2 teaspoonful salt
1-2 teaspoonful pepper
1 tablespoon butter
Scald (over hot water) the milk with the onion, parsley and celery. Stir the butter and flour creamed together and let cook about twenty minutes. Remove the vegetables. Pour the cold water over the oysters and look at each carefully to remove bits of shell, if present. Strain the liquid through cheese-cloth, scald, skim and add the oysters; heat quickly to the boiling point; add the thickened milk and the seasonings, and then stir in the butter in small pieces.

TWO MEN KILLED AT PARKSLEY IN A CRASH

Second Lieut. Carlisle C. Hoch, of Newark, N. J., and Angus J. MacDonald of Los Angeles, Cal., were killed instantly about 3.30 p. m., Friday, September 19, when their BT-14 training ship crashed on Parksley Field. The plane caught fire immediately and both men were horribly burned.

Officials of the Army Air Base said the men had taken off after picking up a tow-target and the plane crashing before it cleared the field.

Both the officers were members of the Twentieth Bombardment Squadron. Hoch went to Langley Field about a year ago and MacDonald was transferred to the field in July of this year.

Parksley Field is used by the Army as a machine gun range, and tow-

targets are dropped there by bombing planes. The plane was on a routine training mission, officials said. Hoch was piloting the craft.

Bodies of the two fliers were returned to Langley Field pending funeral arrangements. An Army board of inquiry was appointed to investigate the crash.
