A Trip To La Pointe, Wis.,

(Continued from 1st Page.)

one seen in my recent visit to Wis-
consin.

I saw children, (elderly men and
women) of my contemporaries and
from these I learned much of the
latter days of my own young
friends, and our elders long since
passed away.

Mr. Fairbanks and ye editor
had business which kept them in
Ashland and Odanah but for me
there was an irresistible psycho-
logic force drawing me to La-
Pointe but less than three hours
ride away.

During the summer or tourist
season Ashland is connected with
La Pointe by regular boat line,
but this line being suspended I
was compelled to go to Bayfield
on the mainland by rail and but
three miles or less from the island.
I yielded to the force of memory
and sentiment and slipped away
from my companions one morning
and soon reached Bayfield.

**Rich Woman Marries
Indian.**

The Minneapolis News of last
Friday contains an account of the
marriage of Mrs. Adah Dexter
Hauk, a wealthy and noted wom-
an, to I. F. Rankin, a Chippewa
of Odanah, Wis.

Mrs. Parvin, a sister of Mrs.
Hauk, is reported as being pros-
trated with grief because her sis-
ter married an Indian. If Mrs.
Rankin does not care to live with
her present husband any length of
time she will no doubt be as suc-
cessful in obtaining a divorce from
him as she was on two different,
previous occasions.

The readers of this paper will be
pleased to learn that there is at least one
dreaded disease that science has been
able to cure in all its stages, and that is
Catarrh. Hall's Catarrh Cure is the only
positive cure now known to the medical
fraternity. Catarrh being a constitutional
disease, requires a constitutional treat-
ment. Hall's Catarrh Cure is taken in-
ternally, acting directly upon the blood
and mucous surfaces of the system, there-
by destroying the foundation of the dis-
ease, and giving the patient strength by
building up the constitution and assisting
nature in doing its work. The proprietors
have so much faith in its curative pow-
ers that they offer One Hundred Dollars
for any case that it fails to cure. Send
