Insistent of Sitting Bull Will Join Gen. Pershing’s Force

Mimico, Minn.—Peetah’s forces are to be augmented by a Carlisle athlete, a direct descendant of the famous Black Robe, who is expected here tomorrow. H. H. Bunker is his American name, and in his blood runs the学王 of Sitting Bull, with some time in his hands on Western Montana. At one time he was a member of the Mimico football team.

Despite of this “incompetent” who has his patriot’s get the upper hand of the paternal judgment of his ancestors and the Indian office, why, oh why didn’t Mr. Bunker go as an officer and draw his ration from an agency war- house instead of from the U. S. Army Commissary Department? Because he’s a man and refuse to be the dandy in which the Indian office would keep him unwashed.

The Terrific Gale

The terrific gale which swept this region on Saturday last occasioned a great deal of damage. Several fine buildings were started and a large quantity of hay was destroyed.

Miss Leland, of Superior, who arrived here last week to fill a position at the teaching school, is temporarily assisting as nurse at the hospital during a rush owing to the increased number of patients.

The annual business meeting for the election of officers of the White Earth Band will be held Friday Oct. 28, at the court house. All members of the band will be required to be present.
