Kernels Culled From Events of Moment in All Parts of the World—Of Interest to All the People Everywhere.

Washington

All sailings to ports in Great Britain have been canceled by the shipping board at Washington because of the strike of railway workers.

The railroad administration confirmed the report that 600,000 railroad shophmen, members of the American Federation of Labor and the United States railroad administration have substantially completed an agreement covering wages and hours and conditions of work.

President Wilson returned from his western tour suffering from a serious though not alarming, breakdown and unable to give attention to the greatest aggregation of domestic and foreign difficulties an American executive has confronted in many a decade.

The relative value of King Albert of the Belgians and of the prince of Wales as public attractions in Washington is disclosed by the following advertisement in a newspaper: "For Rent—For week of King Albert's visit, second floor, furnished, with bath, \$150. For week of prince of Wales' visit, \$250."

There is much anticipatory apprehension in Washington that one result of the British railway strike will be a coal famine in Europe.

Planning to close its hearings this week, the house budget committee has called as witnesses William Howard Taft, former president, and Governors Goodrich of Indiana and Harrington of Maryland.

President Wilson canceled the remainder of his tour under orders from Admiral Cary T. Grayson, the president's physician, and will return to Washington direct from Wichita. Admiral Grayson gave illness and physical exhaustion as the reason for his action.

The issue in the nation-wide steel strike was defined by Samuel Gompers, president of the American Federation of Labor, before the senate investigation committee at Washington, as recognition of the right of employees "to be heard, to organize and to have some voice in determining conditions under which they labor."

Information that all the revolutionary leaders in Mexico with the exception of Felix Dias have accepted Francisco Villa as their chief, and placed at his disposal their men, munitions and money, has reached Washington.

Approximately 11,000,000 pounds of finished and unfinished steel will be offered for sale by the war department at Washington through district ordinance officers at Boston and Philadelphia between October 1 and 9.

W. Z. Foster, secretary of the national committee for organizing the steel workers, was attacked in the senate by Senator Pomerene of Ohio as an "autocrat" whom laboring men should be warned against.

Domestic

Omaha, Neb., is again quiet following the rioting which resulted in the injury to the mayor, the lynching of William Brown, a negro, accused of recently attacking Miss Agnes Lobeck, a white girl; the death of one white man, the injury to several scores of whites and negroes and the partial destruction of the new \$1,500,000 county courthouse, which was set on fire by members of the mob. With federal troops patrolling the streets it was believed that the authorities would be able to prevent any possible fresh disorders, which began when a mob set out to lynch Brown. Maj. Gen. Leonard Wood has taken charge of military operations.

Demands of longshoremen of New York for a wage of \$1 an hour, an increase of 15 cents, and a 48-hour week were submitted at the first session of the national adjustment commission of the United States shipping board.

Four men were burned severely in an explosion in the boiler room of the destroyer Greene, off Key West, Fla.

Two negroes, Miles Phifer and Robert Gresky, the latter a discharged soldier, were taken from county officials about five miles from Montgomery, Ala., and shot to death by a mob. Both negroes were charged with having attacked white women.

The soft-coal operators of the central competitive field submitted to the joint conference of operators and miners at Buffalo, N. Y., their reply to the demands of the men for a 60 per cent increase in wages and shorter working hours. It was a rejection.

Emma Goldman, agitator and social revolutionist, has returned to the world after 20 months in the Missouri state penitentiary at Jefferson City, Mo., an unrepentant anarchist.

Two thousand striking steel workers with their wives and children rioted at Waukegan, Ill. They attacked 300 police and special deputies, tore off their stars, bombarded them with bricks and stones and threatened to burn the home of one of their number. The trouble started when 300 non-union men left the plant of the American Steel and Wire company for home.

United States Senator Owen of Oklahoma, in an address at St. Louis, attributed the high cost of living to activities of interstate monopolies, which he declared limit production in many lines, control distribution and are not content with reasonable profits.

Immigration officials at Laredo, Tex., have rounded up and deported to Mexico 298 Mexican laborers smuggled into this country.

Tugmen of the Whitney Brothers, Barnett & Record company and England Towing company went on strike at Duluth, Minn., in response to a call for a strike on the Great Lakes.

The steel workers and not the mill owners will surely win, according to Samuel Gompers, president of the American Federation of Labor, who declared in a statement that the report that the strike was crumbling was based on "inspired and untrustworthy" reports from Pittsburgh and elsewhere.

One of the old coast defense battleships—the Iowa, Indiana or Massachusetts—recently placed out of commission by the navy department at Washington will be used as a target for defense batteries.

William J. Flynn, chief of the bureau of investigation of the department of justice, is in Pittsburgh. It was said at Washington he probably would look into the strike situation.

Federal Judge Evans at Chicago fined the Cudahy Packing company \$8,875 for collecting excessive damage claims from a railroad company which the packing company alleged had improperly iced meat cars.

Sporting

With Grover Cleveland Alexander on the slab, the Reds, newly crowned champions of the National league were licked at Cincinnati in the final game of the season for both teams, 2 to 0.

White Sox went through the motions of winding up the American league season at Chicago. Detroit won by a score of 10 to 9.

Personal

A gift of \$20,000,000 from John D. Rockefeller for the improvement of medical education in the United States was announced by the general education board at New York.

Foreign

Gen. M. M. Dieguez, commander of the Carranza forces in Chihuahua, Mex., reported that six Villa followers had surrendered to his troops and sought amnesty. Their pardon was granted, it was said.

American aviators flying into Mexico will be fired upon by Mexican troops, said a message received in El Paso, Tex., from Mexico City by El Nacional, a newspaper here.

President Wilson will make a third trip to Paris, according to a London report current in diplomatic quarters, if the senate attaches any amendments to the League of Nations scheme or any of the treaty clauses.

After wavering for weeks as to whether to turn to the political parties of the left or right for necessary support to insure it a longer life, the German government has turned its back upon extreme radicalism.

A Berlin dispatch says the Schwerin property tax bureau has confiscated the property and fortune of Anthony Fokker, the well-known builder of airplanes.

A movement is on foot in Hungary to restore the monarchy with the former Archduke Francis Joseph Otto, eldest son of former Emperor Charles, as king, according to a Budapest dispatch.

Paris music hall strike leaders say the present contest in which they are engaged is "going to be a life and death struggle."

So far as Berlin knows, Countess Montgelas, whose husband formerly was connected with the German embassy in Washington, is the first German citizen to obtain an official visa to enter the United States.

The total revenue received by the British government for the year up to the first of March was \$3,935,000,000, according to an official announcement at London.

The British government has decided to finish the R-80, which, when completed, will be the largest ship in the world. She is 95 per cent completed.

It is rumored in Coblenz that an independent republic has been declared in Alsace.

Crookston.—Congressman Steenerson of the Ninth congressional district, spent several days at his home here. He came from a hearing on the increase of salaries of postmasters, held in St. Paul. From Crookston Mr. Steenerson went to Chicago to attend a similar hearing. The congressman is a member of the house committee on postoffices and post roads.

Marshall.—Marshall has a new kind of poker game. A game where all of the players lose. Two uninvited guests at an old lumber shed where a game was in progress among some threshers covered the five card men with revolvers and compelled them to hand over all their money. The robbers made good their escape before Sheriff Monroe was notified of the theft.

Ivanhoe.—The dynamite case, in which Martin Mikulewicz, of this place, named several defendants and asked that they pay him the sum of \$25,000 for injuries he received on the night of July 1, 1916, by reason of the explosion of a stick of dynamite being used in connection with a premature Fourth of July celebration, was dismissed in the district court here without coming to trial.

Mankato.—"I stole these chickens from Mr. Hopkins." So read a sign carried through the streets by a dejected appearing Westbrook citizen, as he plodded along dusty paths and kept his downcast gaze on a truck in front of him, on which the stolen chickens were being exhibited to the public. Hopkins, who lives at Mankato, had suffered the loss of chickens on several occasions and investigations led to the detention of the Westbrook man. "Would you prefer to go to jail or to announce your guilt to the public?" he asked the accused. He consented to march.

Brainerd.—The board of the Minnesota Baptist state convention held in Minneapolis appointed Rev. R. E. Cody pastor-at-large for Northern Minnesota; he has accepted, his duties to begin November 1. Mr. and Mrs. Cody will retain their home in Brainerd, where they have lived the past seven years.

THE FLAVOR LASTS SO DOES THE PRICE!

At the Right Time. The other night at a local picture show an egotistical young man was giving a very shy, diffident person some advice, which interested the people around them. He told elaborately of his own success and then ended: "What you have to do now is to talk a little bit more about yourself and the things you do. If a fellow doesn't advertise himself who will, I want to know?"

Just then a subtitle was flashed on the screen and every one around the two young men laughed heartily. It read: "A whale never gets into trouble till he begins to blow."
