 DISAPPEARING  
 TABLE?**

The "Ole Miss" Kitchen Cabinet  
 With the Disappearing Table  
 A Pull Brings it Out  
 A Push Closes it

Here is a new wrinkle in a  
 kitchen cabinet—the finishing  
 touch of neatness for the Kitchen Beautiful—a real conven-  
 ience—an actual necessity to every well appointed home.

The "Ole Miss" Kitchen Cabinet  
 The Only Kitchen Cabinet Made With the Disappearing Table

This is the cabinet for the modern home—the home where  
 Efficiency reigns—the home where comfort, convenience and system count  
 for something. It affords more floor space and less need of it—keeps  
 things cleaner and makes cleaning easier—saves you hundreds of steps  
 every day. There's a score of different kitchen cabinets but none so com-  
 plete as the "OLE MISS." Let us show you.
