TOTAL ECLIPSE!!

THE undersigned would respectfully inform the public that ROOT'S PATENT ECLIPSE STOVE can always be found at No. 19 Main Street, St. Louis.

This Stove has become the most popular stove in use, from the perfect simplicity of its construction, and the certainty with which it performs all its cooking operations—consuming, as it does, less than half a cord of wood per month, and baking with as much certainty and uniformity as a *Baker's Oven*. This, together with the fact that there is no division of the flues, thereby securing a strong draught, makes it the most economical and convenient Cooking Stove now in use.

Also on hand ROOT'S CELEBRATED PREMIUM COOKING STOVES, together with every variety of Cooking and Parlor Stoves, Tin-ware, Kitchen, Hardware, &c. &c., all of which will be sold at very low prices, either at wholesale or retail.
