

MARSHALL REPUBLICAN

VOLUME XXII

MARSHALL, SALINE COUNTY, MISSOURI, FRIDAY, JANUARY 24, 1913.

NUMBER 4

DEATHS

JESS DRISKELL. W. E. Driskell received a telegram Saturday of the sad news of the death of his brother, Jesse Driskell, who died in Colorado Springs, Colo., Jan. 18, 1913 at 2 p. m. He went with his wife to Colorado some few months ago hoping to benefit his health. He was 36 years, 5 months and 25 days old. He leaves to mourn his death besides his devoted wife five brothers and two sisters who are as follows: W. E. and C. W. Driskell of Marshall, Lester and Wesley of Richmond, Mo., Frank of Oregon City, Oregon; Mrs. Levi Hinton of Napton, Mrs. George Griffin of Mexico, Mo., and a number of nieces and nephews besides other relatives and a host of friends. He was buried in Colorado Springs. On account of his poor health W. E. Driskell of this city could not attend the funeral.

JOHN H. BOYER a former Saline county resident, died in Tyro, Kansas, Sunday at the age of 71 years. His son, William, is connected with the Eagles Home here. Mr. Boyer formerly lived north of town. His remains were expected at Slater yesterday for burial.

DORA MEAD, col., died at the home of her father, Henry Mead, in Independence, Mo., Tuesday, January 14th after a several days illness. She was born in Marshall May 18, 1822, being hardly 21 years old. She was a faithful member of the Independence Baptist church and also of the choir. Her remains were brought to Marshall last Monday and taken to Fairview cemetery where her pastor, Rev. J. W. Fitts, conducted a short service before laying the body away in its final resting place.

MRS. SUSAN HINCHER, col., died at her home in East Marshall Tuesday of pneumonia and heart trouble at the age of about 77 years. She is survived by the following child—Mrs. Wm. Poyl Talbert Hineher, Mrs. Bettie Hatchfield, Ernest Hineher. Deceased was a good woman and mother.

A Party.

A party given at the home of Silvester Dilley, in the upper Miami bottom last Friday night was quite a success and everybody enjoyed themselves most happily. About 10 o'clock refreshments of lemonade and cake were served, which gave everybody a start for a more enjoyable time. About sixty were present and departed for home at the midnight hour. A Guest.

County Meeting

The Saline County Medical Society's monthly meeting was held at Marshall Jan. 14th. The subject "Epilepsy" was presented by Dr. H. D. Quigg, superintendent of the Missouri Colony for Feeble Minded and Epileptics. Drs. D. F. Manning and Jas. R. Davis were appointed on program committee. The program for the next monthly meeting on Feb. 11th will be "Appendicitis" by Dr. Jas. R. Davis and "Gall Bladder Afflictions" by Dr. Abner Gore.

Cutting Affray

Wesley Urton was seriously injured in a cutting fight Friday night by John Roscher at a party near Herndon. Roscher came to Marshall Sunday morning and surrendered and was released under \$1000 bond. The case depends largely upon the outcome of Mr. Urton's injuries. Mr. Roscher also received some cuts. The quarrel is the result of an old difference.

ONE DEAD AND ONE INJURED

Quick and Terrible Punishment for Thieves.

A better trap could not have been laid than the two colored boys got themselves into Saturday morning when they tried to steal a bucket of alcohol from the laboratory at M. V. C.

It seems they broke into the main college building through an east window about 4 a. m. that morning and started away from the laboratory but as it was dark they used matches to light their way. In this manner their alcohol became ignited. Their clothing must have been full of alcohol as as they were set on fire and in order to save themselves left their burning clothes behind them and ran for home.

Fortunately W. F. McDaniels, who has charge of the buildings, came along about this time and seeing the fire summoned the dormitory students to his assistance and with the hose in the building soon had the fire under way without serious damage, but it was a narrow escape for the beautiful building.

Mr. McDaniels soon found a clew to the fire when a doctor was telephoned for to come to look after several boys who were badly burned. This told the whole story.

Everett Fields, one of the boys died Monday morning after some terrible suffering. He was about 15 years old and a son of Mrs. George Fields of near the college. His reputation was not a good one. His remains were laid to rest in Fairview cemetery Wednesday.

Jesse Faris, the other boy, is still in a serious condition we are told. He is a grand-son of Joseph Whitney of near the college and is also considered a "bad boy" being about 17 years old.

Dr. B. M. Spotts, who is attending Faris, tells us he is badly burned on his breast and is still in a serious condition.

It is supposed that there are also some other boys implicated and to find out a number of arrests have been made but nothing definite learned.

It is fortunate that the guilty parties had to bear the burden of the loss in this case, instead of getting away as is usually the case, after causing a "mysterious" fire.

City Council

Met Monday evening, Jan. 23rd with all present except B. S. Tucker who was sick.

Ordinance relative to vacating alley in west end of lots 10, 11 and 12, block 5, Boyd's addition voted down.

Ordinance to vacate Lacy St. between Allen and O'dell and between blocks 1 and 7 in Wettack's addition passed.

E. D. Thompson awarded contract for pulling the ten inch well, to replace it and put six inch well inside at \$2 per foot.

Municipal ownership of electric light plant discussed but no definite action taken. Mayor Mitchell and Aldermen Huff, Rose and Mitchell report on plants inspected on their trip.

Hon. Nelson S. Darling

The entertainment Monday night at the high school auditorium under the auspices of the East school was a fine success. Mr. Darling was at his best and his entertainment was much enjoyed as well as of an educational nature. The receipts of the evening were about one hundred dollars. After paying expenses the East school will have a handsome surplus for their manual training department.

Bad Accident.

Frank Earquart, who is employed on the new government building here, was badly hurt yesterday morning. He was assisting in unloading some big stones from a car, when a rope on the derrick broke and he had his ankle and shoulder broken. He was taken to Hotel Howard, where Dr. D. C. Gore was called to attend him. He is from Bedford, Ind., and represents the Bedford Cut Stone Co. He is in no serious danger of dying.

The Baptist church had nineteen additions Sunday as a result of the revival services the past three weeks.

China Wedding

The following announcement has been received here:

"Reverend and Mrs. Wilbur Cummings Longden request the honor of your presence at the marriage of their daughter, Alice Adeline, to Reverend Wesley Moreland Smith, Wednesday January 23rd Soochow University Chapel."
Rev. Smith is a son of Mr. and Mrs. A. B. C. Smith of southeast of town, and is a missionary in China.

Road Being Built

We are told that a big force of men and teams is at work near Independence, Mo., grading on the new electric railway and that the road will be completed within two years. This sounds more hopeful than anything in the past.

Among the Sick

Mrs. Harry Roberts is able to sit up again while Mr. Roberts is back at work.

Emmett Murphy of East Yerby, has been down with tonsillitis but is improving.

Mrs. Mottis Schieszer of southwest of town, has been confined with tonsillitis.

Mrs. C. K. Scott who has been real sick the past week is able to sit up.

Miss Susan Barnum, teacher at the West School, is on the sick list.

Ross Latimer underwent an operation in the German Hospital in Kansas City last week for appendicitis, which was successful and he is doing nicely.

Lorenz Rasse was sick several short days last week—yes, we mean several "short" days. He is newly married and even though sick the days must have seemed all too short. Anyhow such nursing as he must have received surely would have gotten him up in less than a long day.

Free Lecture Tonight.

The American Medical Society in conjunction with various state medical societies has undertaken some missionary work in the way of spreading information concerning public health.

A number of the most noted Physicians of the country have agreed to give, as their contribution, six lectures each in places where their services are desired.

Through the work of the County Medical Society, of which Dr. John Hall, Jr., is president, also of Missouri Valley College, the public schools, the ministers of the city and the local charity organization, Dr. G. H. Hoxie of Kansas City has been secured for a lecture at the First Presbyterian church in Marshall Friday night, January 24th.

The physicians of the city speak in the highest terms of Dr. Hoxie as a learned physician, Christian gentleman and a pleasing speaker. He has studied in leading schools of both America and Europe.

Since he comes upon the invitation of the various organizations, it is hoped that a large audience will greet him. The lecture is free; all expenses being borne by the American Medical Society.

Will every citizen interested in "Preventive Medicine and Public Health" listen to Dr. G. H. Hoxie at the Rock Church tonight at 8 o'clock?

Public Sale

W. A. Campbell will have a public sale at his farm 2-1-2 miles southeast of town, on Thursday, Feb. 6th, of his entire herd of Jersey Cows and some good horses.

A Slight Gain

Dr. A. C. Putnam, vital statistician for Marshall township, reports that during the year 1912 we had 136 deaths and 137 births a close race indeed.

Marriage License

Eugene Carter, col., Miami
Rena Buckner, col. Miami.

Cal. Stewart, who has been playing at the Dixie this week, is an old favorite with some of our people, who remember him when he stayed here by force of circumstances. Some twenty years or more back his company stranded here and, like a man, he went to work to earn money to "get back home."

Hiram F. Henderson, a former resident of Marshall, was run down and killed at Baltimore on January 14th by a freight train which caught him unawares while crossing the track. While here he clerked for P. H. Franklin about seven years, leaving here 22 years ago and establishing a successful business in Baltimore.

Lyman Peters, whose head is minus most of the customary hair always looks wise with his intelligent eyes, glasses and well-fed appearance, and to the unknowing his head now looks as if it had "busted wide open" with too much knowledge or something, as a long crack runs across the top of it. When asked about it he said he had a fall while on his recent visit south and struck a sharp projection which made the injury and also rendered him unconscious for awhile. The injury was quite severe.
