THINKS MISSOURI A

Howard A. Gass Compliments Commonwealth at Moberly Congress.

Mill-Tax Support for State University Is Endorsed Educational Day.

The agricultural products and livestock do not constitute the state's greatest assets, but rather the men that make these products lead, are what the commonwealth should be proud of, according to Howard A. Gass; state superintendent of public instruction, in a speech at the Moberly "Show-You" Congress Friday, Educational Day. He said he was delighted with the progress of the state along this, as well as other lines.

Friday was the last day of the expoopinion that the exposition was all that they expected, and that the effort the buildings, because having them was well put forth and still better ap-

justified the investment made by the state in its support by its large and growing service to the state.

"In the production of a better agriculture it has returned a dividend to Missouri far beyond its entire cost. For the highest form of conservation, the conservation of children, it has stimulated all Missouri schools by its sympathetic and inspiring usefulness."

R. M. White of Mexico talked on the "Here Now Missouri Newspaper," designating it as the State's everlast-EXPOSITION IS A SUCCESS ing "show-you" congress, its columns figuratively being the booth containing the varied exhibits, which, according to Mr. White, could be placed on an island without outside communication and social life still would continue from calico to coinage.

> LEFT PROPERTY TO WIFE The Will of Josiah C. Long Was Pro-

> bated Yesterday. According to the will of Josiah C. Long, who died August 10, which was probated yesterday, all of his property goes to his wife, Frances E. Long, for her natural life. At her death, the will states, the property is to be divided between her children, A. O. Long. J. M. Long, Turner B. Long, and the children of Mrs. Alice Murry.
