Kemper Military School of Boonville in Class A, with 30 1-2 points, and Charleston High School in Class B, with 20 5-6 points, won the Twelfth Annual Interscholastic Track and Field Meet on Rollins Field yesterday afternoon. Westport High School and Manual Training High School both of Kansas City, were second and third in Class A, and Mount Vernon and Sikeston were first and second in Class B.

Sharp of Park School made the 13 points credited to his school and was the individual star of the meet. He was first in the 100-yard dash and broad jump and second in the 120-yard low hurdles. Lee of Charleston was the star of the Class B schools, with 11 points. He placed first in the shot put, second in the 120-yard low hurdles, third in the discus throw and fourth in the broad jump.

No records were broken. In only one other previous meet have the points been so evenly divided. The most exciting race of the meet was the half-mile relay for Class A schools, won by Kemper. Kemper held a small lead from the start, but in the last lap Ricker, the Kemper runner, was hard pressed by Selbie of Westport and Seyfert of Joplin. The three ran neck and neck to the finish.

The medley race was a new feature this year. It was open to schools of both classes and did not count toward the final standing of the schools. The first man ran 100 yards, the second 220 yards, the third 440 yards and the last a half-mile.

About 2,000 persons saw the meet. The summary:

JUNIOR HIGH SCHOOL DISCUSSED

Movement Is Talked Over, Pro and Con, at Meeting of Teachers.

A plan to reorganize the work of the grade schools, which will be known as the "Junior High School Movement," was discussed at the teachers' conference at the University Auditorium yesterday.

President A. Ross Hill presided and spoke briefly of the general problem. A re-adjustment, he thinks, is necessary between the seventh and eighth grades of the grammar schools and the first grade of the high schools. The movement, he said, was not new, particularly in the New England states, where it had been in operation under the name of the "departmental" system.

The principal of the St. Joseph High School, Frank C. Touton, who is also a member of the committee of the State Teachers' Association which is investigating the movement, spoke particularly of the need of such a plan in the larger cities. He cited the schools of Grand Rapids, Mich., as an example of what can be accomplished.

Dr. J. L. Meriam of the School of Education opposed the plan.

"There is no virtue in merely keeping students in school," said Doctor Meriam. "The plan does not specifically change the curriculum. It em of the grades remains the same. The phasizes departments, but the work of the grades remains the same. The solution must be something more fundamental. The need is a better adaptation of the work of the grades to the need of the masses of the school population of the grades."

No action was taken on the matter.

SEE ENGINEERS' LABORATORIES

Visitors Shown Through the Building By Students.

A sign welcoming the high school visitors to the laboratories of the School of Engineering hung at the entrance of the building between 8 and 10 o'clock yesterday morning. Many took advantage of the opportunity and were shown through the building by the engineers in charge of the exhibit.

Tests of wood, steel, concrete and other materials were in progress in the experiment station's laboratories. The exhibit in the high-tension room was much the same as that shown St. Patrick's Day visitors. The demonstration in the room of the Wireless Club continued through the morning. Long distance messages were received and the sending of messages was demonstrated.

All the engines in the engine room were in operation, and several of the stunts of St. Pat's day were reproduced.

WITH THE HIGH SCHOOL VISITORS

Kansas City Manual High School won last year.

Forty-one small high schools were represented in the meet. A separate class was made for these men, although in many cases the men of the smaller schools are superior to the track men of city high schools. Missouri gets many track men from the smaller towns. Simpson is one of this class. When in high school, Simpson was known as the "one-man track team from Bosworth."

Two negro boys each made money and amused visitors yesterday by diving into the pool south of Academic Hall after coins. A crowd of cadets surged around the pool while the urchins waded waist-deep in the water, feeling with their hands and bare feet for the money that someone had thrown in. Finally one ducked under and came up, gasping but happy, with a dime clutched tight in his fist. Soon the other boy found his dime, and away they went, chattering and

ALLIES GAIN GROUND ALONG DARDANELLES

Turks Fight Desperately, but British and French Press Toward Forts.

PEACE MEETING ENDS

Women at The Hague Adjourn, Suggesting Mediation, Without Results.

By United Press
LONDON, May 1.—British troops have isolated and masked the Turkish land forts guarding the Dardanelles from the west. On the Asiatic side, French colonial troops are doing the same thing. The Turks are fighting with the desperation of fanaticism and are inflicting staggering losses on the Allies, but the latter are moving steadily on.

The latest advices reaching London tonight say that General Sir Ian Hamilton's expedition has thrown a line across the Peninsula of Gallipoli from the Gulf of Saros to the town of Gallipoli, that the fire from the Allied fleet has reduced the defences of the town, which is now held by the British, and that his men also have strong footholds at Gaba, Tepe, on Subia Bay and at Cape Teke.

Aerial reconnaissances show that the main body of the Turks, who have been masked at the upper end of the peninsula, have now retreated to Tsani and Pazarkio.

MEXICO WINS DEBATE

Charles Wright of the High School Victors Gets M. U. \$125 Scholarship.

Defending the minimum wage system, the McMillan High School of Mexico, Mo., won the championship of the Missouri High School Debating League, when the team from that school defeated the team from the Chillicothe High School in the University Auditorium last night. The debaters for McMillan were Charles Wright and Alan Coatsworth. Louis D. Potter and Sam Painter debated for Chillicothe.

Each speaker talked eight minutes in his first speech and four minutes in rebuttal. The judges were Prof. W. J. Shepard, Prof. D. O. McGovney and E. W. Stephens. One voted for the Chillicothe team.

The McMillan High School team won the championship of the northeast section in debates with Hannibal, Palmyra and Clarence. They then defeated Sikeston, champion of the southeast section.

The Chillicothe team won the championship of the northwest section in debates with Excelsior Springs, Richmond and Mound City. They then defeated Pierce City, champion of the southwest section.

Charles Wright, the leader of the McMillan team, was adjudged the best individual debater and was awarded the \$125 scholarship in the University next year.

NO "BLUE LAWS" SAY OFFICIALS

Statement Issued Regarding Sunday Closing Enforcement.

You may still buy your Sunday cigar, ice cream or "cokes". The how, when and why of Sunday closing in Columbia was explained yesterday in a statement issued by Mayor J. M. Battered and City Attorney George S. Starrett. The enforcement of the law begins today.

There is no intention of attempting to enforce any "blue laws," the officials say, but they ask the merchants and citizens of Columbia "to assist in enforcing a fair and substantial compliance with the Sunday laws."

The officials say they intend to insist only upon the closing of general mercantile stores.

TWO RECORDS FALL IN AGGIE DUAL MEET

Robert Simpson Changes Old Marks in 220-Yard Hurdles and Broad Jump.

MISSOURI WINS, 70-39

Kansans Capture Six Firsts—Four Clean-Sweeps Made by Local Athletes.

Robert Simpson's versatility in track athletics had a great deal to do with the 70-39 victory of the Tigers over the Kansas Aggies in the dual meet on Rollins Field yesterday morning. The big sophomore scored 18 points for the home team, taking three firsts and one second. Two of his firsts broke the old University records: the one of 24 4-5 seconds in the 220-yard low hurdles lowering Guy Kirksey's old mark of 25 flat and the one of 23 feet, 1 inch, in the broad jump bettering John P. Nicholson's Varsity mark of 22 feet 7 3-4 inches.

Simpson's first try in the broad jump, in fact, came so near the far edge of the leaping pit that it was necessary to spade up additional ground. It was in this newly-broken earth that he set the record. His other winnings were in the 120-yard hurdles, where he took first in 15 3-5 seconds, and in the 100-yard dash, where he took second behind Holroyd of the Aggies in 10 seconds flat.

Simpson, however, was not the whole show. The Tigers took eight out of fourteen firsts, making clean sweeps of first and second in four events: the 220-yard dash, the 220-yard hurdles, the discus throw and the pole vault. Well worthy of mention also was the work of Captain George T. Murphy, who used his head as well as his legs in the half-mile, allowing the two Aggie men an easy lead until the finish. Wilder of the Aggies fell across the line about a foot behind the Missouri leader.

In the pole vault, when the Aggie entrant failed to qualify, Powell and Browne of Missouri were given a tie for first. Later Powell and Floyd worked the bar up in exhibition flights, both clearing it at 12 feet.

Holroyd was the chief point-winner for the Kansas. He took 10 points, first in the 100-yard dash and first in the quarter-mile.

The summary:
100-yard dash—Holroyd, Aggies, first; Simpson, Missouri, second. Time, 10 flat.
220-yard dash—Simpson, Missouri, first; Wilder, Aggies, second. Time, 2:30 4-5.
120-yard hurdles—Simpson, Missouri, first; Guy, Aggies, second. Time, 15 3-5.
100-yard dash—Simpson, Missouri, first; Drumm, Missouri, second. Distance, 123 feet 4 inches.
120-yard hurdles—Simpson, Missouri, first; Frizzell, Aggies, second. Time, 15 3-5.
High jump—Frizzell, Aggies, first; Johnson and Williams, Missouri, tie for second. Height, 5 feet, 9 1-4 inches.
Shot put—Marble, Aggies, first; Warren, Missouri, second. Distance, 40 feet 2 1-2 inches.
440-yard dash—Holroyd, Aggies, first; Wyatt, Missouri, second. Time, 2:22 5-6.
220-yard dash—Simpson, Missouri, first; Dagg, Missouri, second. Time, 2:30 4-5.
220-yard dash—Niedorp, Missouri, first; Dagg, Missouri, second. Time, 2:22 flat.
Two-mile run—Teeter, Aggies, first; V. Kline, Missouri, second. Time, 10:08.
Mile relay—Missouri (Porter, Eaton, Wyatt, Niedorp), first. Time, 3:20.

WESTMINSTER DEBATERS WIN.

Get Unanimous Decision Over Missouri in Contest at Fulton.

Westminster College won a unanimous decision over University of Missouri debaters Friday night at Fulton. The question was: "That the United States should make a prompt and substantial increase in her military establishment and naval program." Missouri had the affirmative.

Westminster was represented by McCluer, Wovman and Bushman. Missouri's team was led by John C. Vogel followed by A. B. Armstrong and Bernard Hurwitz.

The three judges of the debate were: J. L. Roemer, president of Lindenwood College, St. Charles, Mo., Otto Dubach, and N. B. Miller, both of Kansas City.

TIGERS BREAK EVEN WITH AMES

Missouri's Game, 1 to 6, Yesterday—Other Way Friday, 3 to 2.

The Tiger baseball team broke even with Ames, winning yesterday by a score of 1 to 0 and losing in a ten-inning game, 3 to 2, Friday.

Capp pitched yesterday, and while he gave the Iowa team seven hits, he kept them well scattered. Missouri made four hits and played an errorless game. Captain Taylor pitched Friday's game.

THE WEATHER.
For Columbia and vicinity: Showers today; not much change in temperature.

DOCTOR HILL GETS LL.D. DEGREE

Is Honored by Washington University at Medical School Dedication.

Dr. A. Ross Hill, president of the University of Missouri, was one of the sixteen recipients of honorary degrees bestowed by the faculty of Washington University, St. Louis, Friday in closing the dedication of the new \$1,200,000 buildings of the medical school there. Doctor Hill's new degree is that of LL. D.

The others receiving degrees were: Dr. William Townsend Porter, Harvard; Otto Knut Olof Folin, Harvard; Dr. Theodore Caldwell Janeway, Johns Hopkins; Dr. Rudolph Matas, Tulane; Dr. Franklin Paine Mall, Johns Hopkins; Dr. Samuel James Meltzer, Rockefeller Institute; Dr. Russell Henry Chittenden, Yale; Dr. William Henry Howell, Johns Hopkins; Dr. William Henry Welch, Johns Hopkins; Dr. Abraham Jacobi, Columbia; President George Edgar Vincent, Minnesota; President Abbott Lawrence Lowell, Harvard; Dr. William Crawford Gorgas, surgeon general of the United States Army, who became famous through his work in the Panama Canal Zone, and Prof. Nathaniel Wille, Christiansia, Norway.

SUICIDE ATTEMPT FRUSTRATED

James Belcher, Unable to Swim, Saves Lela Crowley From River.

Miss Lela Crowley, 14 years old, failed in an attempt to commit suicide near Huntsdale Thursday morning when James Belcher, a farmer, jumped in the Missouri River after her and caught her as she was sinking the third time. He held to a snag three-quarters of an hour, while farmhands drove a mile and obtained a boat. Neither the girl nor Belcher were able to swim.

The girl had placed a complete outfit of clean clothes on the bank that she might be dressed when her body was found, she explained after the rescue.

Mrs. Crowley lives with her father on the George Williamson farm near Huntsdale. "I just wanted to die," was her only answer when asked why she had tried to end her life.

MEAD IS PRESIDENT

Patterson Chosen Editor of the Savitar at the Student Election Friday.

E. C. Mead was elected president of the student body of the University Friday; Don D. Patterson will be managing editor of next year's Savitar. In the race for president, Mead received 1107 votes on the third count, while George D. Taylor received 1061 and G. B. Long 1011. First, second and third choice votes were counted to determine this election. Gibson was dropped on the first count with a vote of 196. The other candidates' standing on the first count was: Mead 488, Long 421, Taylor 319 and Blackburn 250. On the second count Blackburn was dropped.

C. E. Cowherd was elected vice president by a vote of 957 against 645 for W. B. Heller. A. J. Clayton received 1027 votes for secretary-treasurer and A. W. Allen received 533.

Don D. Patterson received a majority of 239 over W. H. Wheeler for managing editor of the Savitar. His vote was 947. W. M. Neil was elected advertising manager of the Savitar with a vote of 1131 against 906 for R. M. Martin. The first and second choice votes were counted in this election. On the first count Neil received 752 votes, Martin 443 and E. A. Pastelnick 421. The associate editors are R. E. Miller with 1025 votes; C. W. Cargill with 828; H. N. Murray with 779. Other candidates for these offices were R. I. Johnson, who received 749 votes; Granger P. Mitchell, for whom 617 voted, and H. L. Herbert, whose count reached 546.

Candidates for councilman in the various schools were unopposed, excepting the School of Law. The vote for F. R. Deaton and W. G. Maughs has not been determined. There were many votes cast for these candidates by students in other schools. It is probable that another election will be held in the Law Building this week to elect a councilman.

Other councilmen elected are: Agriculture, E. S. Matteson; Arts and Science, R. E. Harper; Commerce, F. E. Berry; Education, R. K. Watkins; Engineering, D. N. Burruss, Jr.; Medicine, D. A. Robnett; Journalism, R. H. Turner.

JOURNALISM WEEK IS ALL READY TO BEGIN

George B. Dealey, of Texas, Will Open Program Tomorrow Night.

THEN WRITERS' GUILD

Tuesday Afternoon Will Be Devoted to Organizing Literary Workers.

Tomorrow Night's Program.

8 p. m., University Auditorium, address by George B. Dealey, vice-president and general manager of the Dallas News and Journal and the Galveston News, on "The Newspaper, Its Revenue and Its Policies."

The sixth annual Journalism Week at the University of Missouri will be formally opened by George B. Dealey's address in the University Auditorium tomorrow night.

Mr. Dealey is one of the widely-known newspaper men of the South. He is vice-president and general manager of the Dallas News and Journal and the Galveston News, and is an officer or director of a long string of public improvement and welfare associations in Dallas and Galveston. He will give a general account of the newspaper business from the publisher's viewpoint. This address will be of practical value to the newspaper worker and at the same time of interest to the layman, giving him a good view of the making of a newspaper. Mr. Dealey will arrive this afternoon and will be a guest at the Columbia Club.

The morning programs will begin Tuesday at 9 o'clock in Switzer Hall. The speakers on Tuesday morning's program are C. A. Vane, editor of the Arkansas Democrat, who will talk on "The New Journalism"; W. E. Williams, special writer, of Kansas City, on "The Reporter in the City"; the Rev. Father Daniel S. Phelan, editor of the Western Watchman, St. Louis, on "Fifty Years of Church Journalism"; Karl Walter, dramatic critic of the Kansas City Star, on "Dramatic Criticism," and A. B. Chapin, cartoonist of the St. Louis Republic, who will give a picture talk.

Tuesday afternoon will be devoted to the Missouri writers. A Missouri Writers' Guild will be organized, with W. H. Hamby of Chillicothe presiding. Mr. Hamby is a novelist and short story writer. J. Breckenridge Ellis, novelist, of Plattsburg, Mo., will speak on "The Rewards of the Writer." Miss Elizabeth Waddell, magazine writer, of Ash Grove, Mo., will speak on "Women as Writers"; Robertus Love, poet-humorist of the St. Louis Republic, will tell about "Newspaper Poetry"; Mrs. W. H. Hamby of Chillicothe will speak on "The New Background of American Literature"; and Mrs. Emily Newell Blair of Carthage, editor of The Missouri Woman, will talk on "The Right to Write."

NEW EXTENSION MAN NAMED

T. J. Talbert Will Assist in College of Agriculture Next Year.

The instructors and assistant teachers in the University who had been appointed for one year were reappointed for another year at the meeting of the executive committee of the Board of Curators of the University in St. Louis Friday night. Thomas J. Talbert, a teacher in the Kansas State Agricultural College was appointed assistant in extension work in the College of Agriculture. No other new appointments were made.

President A. Ross Hill of the University presided over the meeting. J. G. Babb, secretary of the University also attended. The other members present were Sam Sparrow of Kansas City, Dr. J. C. Parrish of Vandalla and J. H. Bradley of Kennett.

The executive committee of the board of curators of the School of Mines and Metallurgy at Rolla met in St. Louis at the same time. The members of this committee are S. L. Baysinger of Rolla, G. L. Zwick of St. Joseph and Judge A. D. Norton of St. Louis. Prof. L. E. Garrett, acting director of the School of Mines, attended.

Hallsville Couple, Each 17, to Wed.
Velton G. Caldwell and Miss Allene Pemberton, each 17 years old, will be married at their home in Hallsville today by the Rev. J. L. Presser. A marriage license was issued to them yesterday afternoon. The parents gave their permission.
