

## SPORT

Nebraska and Kansas are the only two teams in the Missouri Valley Conference that have not been defeated. Kansas eliminated the Kansas Aggies Saturday by the score of 9 to 0. Nebraska had an off day Saturday.

The Tigers have had to play all season against teams that have had one week's rest before meeting Missouri on the gridiron. The Missouri players, suffering from early season injuries and worn out by one of the hardest schedule ever attempted by a Tiger eleven, have started every game with some of the best men on the sidelines.

The Valley championship will be decided at Lawrence November 17 when the Cornhuskers play Kansas. Nebraska has the edge and a Jay-hawker victory would be a surprise to followers of the game. Kansas has a good team, a big heavy line, a fine pair of ends, fast backs and a good kicker. But judging from the games thus far played Nebraska has a superior team.

Dr. Meunwell is eager to have every one, who is interested in basketball check out a suit so that he can get a line on the material for the 1917 Tiger five.
