

4,000 TURKISH TROOPS BREAK PLEDGE TODAY

Commander of British Sends Warning When Kemalists Advance into the Ismid Area.

ALLIES WARY OF KEMAL Some Believe, However, Invaders Are Irregulars Over Whom Mustafa Has Little Power.

LYONS, Oct. 13.—The Kemalists broke their pledge today when 4,000 Turkish troops stormed into the Ismid area as far as Tappereun.

The Turkish on the eve of the day the general press into effect entered the area and penetrated several miles.

General Harrison, commander of the British Near East forces, immediately sent a courier by airplane warning the commander of the invading troops to withdraw.

The invasion of the armistice terms led the Allies to become apprehensive that they would have much difficulty in making the Kemalists live up to the agreement.

Efforts at midnight, the Greeks are expected to start the evacuation of Thrace and the Allies to enter to administer the affairs of the province.

BOONVILLE BRIDGE TO BE PROPERTY OF THE STATE Is to Be Completed and Maintained by the State Highway Department.

The Boonville bridge, which is to span the Missouri river at Boonville, will on next Tuesday, become the property of the State Highway Department, according to a statement made by a member of the Old Trails Bridge Co.

There has been approximately \$90,000 expended so far in the construction of the bridge. It is estimated that the bridge will cost approximately \$500,000.

DEBATING TEAMS SELECTED Each Speaker Talks Four Minutes in Preliminary Try-Outs.

Members for the University debating team were selected yesterday. The following were successful in the Varsity try-outs: D. L. Brewer, H. R. Bannenberg, Richard Goshel, Fred Elden, J. F. Frye, E. E. Hall, Nathan Ladinsky, D. L. Lantz, A. Larson, Benton Lee, C. P. McKinney, Joe Reed, C. H. Snider and R. B. Wade.

BRANDT WRITES OF RUSSIA Journalism Graduate Will Return Home This Fall.

Raymond P. Brandt, a graduate of the School of Journalism in 1918 and a Rhodes scholar at Oxford University, expects to return to the United States next fall, according to a letter received recently by Dean Walter Williams.

Two Bandits Get \$9,500 Kansas City Bank Messenger Is Robbed on Street Car.

Kansas City, Oct. 13.—Two bandits boarded a street car here today and held the passengers in check while they robbed a bank messenger of \$9,500. They escaped, followed by the police.

Rev. Randolph's Dog Killed. Patch, a valuable bull dog owned by the Rev. J. D. Randolph, Tenth and Levee streets, died from injuries received when he was struck by a motor car on Providence road. He did not die immediately, but crawled into a nearby yard and died there thirty-six hours later. Mr. Randolph was notified by the police.

J. W. Strawn Much Better. J. W. Strawn of the Strawn-Neate Dry Goods Company, who suffered a partial stroke of paralysis Wednesday, was much better today.

THE WEATHER

For Columbia and vicinity: Unsettled weather tonight and Saturday, probably showers; warmer tonight.

For Missouri: Unsettled weather tonight and Saturday, probably showers; warmer tonight and southeast portion Saturday.

The cool wave with its fine weather is drifting rapidly eastward. It covers most of the country east of the Mississippi River this morning.

A low pressure of a pronounced type is the dominant feature west of the Mississippi. It is giving unsettled and windy conditions in most of the Plains and upper Missouri Valley.

Missouri highways are in fair to good condition.

CHURCH SITE BOUGHT HERE

Christian Scientists to Build Edifice on College Ave. Next Spring.

The trustees of the First Church of Christ, Scientist, closed a \$3,000 deal with James Butler at 11 o'clock this morning for a seventy-foot lot on College avenue just north of the Dorsey home, near University avenue.

A modern building of the architectural style used in Christian Science churches will be erected on this lot in the spring.

The church here was granted a charter in 1917. At present the members are holding services in the Virginia Building on Ninth street.

ALPHA DELTA SIGMA MEETS

Orion O'Herron Gives Speech on Bank Advertising.

How bank advertising campaigns are planned in Illinois was told to members of Alpha Delta Sigma, honorary advertising fraternity, at the College Inn last night by Orion O'Herron of the Hahn-Rosenberg Advertising Co., Springfield, Ill.

ST. LOUIS BANDIT GIVES UP

Charles Hahn Tires of Hi-jacking—Wants to Be Respectable.

Hahn walked into the police station and asked that he be placed under arrest on a charge of hi-jacking. The proof he offered so convinced the authorities that he was backed up pending investigation.

"Why did I give up?" Hahn asked. "Well, I have been a gangster in St. Louis. I've done time twice and I just got tired. I want to get away from the whole mess."

"I want a home and a wife and kiddies. I want to start things all over again with a clean slate. They would have got me, anyway, on the hi-jacking job."

"That's not the reason, though. I want to be respectable."

BARNWARMING BIDS READY

400 Invitations to Be Delivered Early Tomorrow Morning.

Girls will have to get up early tomorrow morning to receive their invitations to the annual Barnwarming which will be given next Friday night at Rollwell Gymnasium by the students in the College of Agriculture.

Early tomorrow morning four farm wagons driven by four agricultural students, Bob Hawkins, Norman Snyder, Thad Snyder and William Howat, will start from the Agricultural Building loaded with 400 small bundles of wheat with an invitation enclosed in each bundle. A tag bearing the name of the girl is attached to each bundle. The students in the College of Agriculture will give their yells in front of each house that is favored with one of the invitations.

Large "Barnwarming Special" signs will decorate each wagon.

ALL PERSONS ON FIRE SHIP ARE RESCUED

Passengers and Crew of City of Honolulu Were Taken Aboard U. S. Transport, Comet.

600 MILES FROM U. S. Radio Message From Rescuers Reported 74 Passengers and 189 Crew on Vessel.

SAN FRANCISCO, Oct. 13.—Dawn today saw all preparations made for the final stage of rescue of the passengers of the burning liner, City of Honolulu, the United States transport, Comet, reached the scene at an early hour this morning.

A radiogram received at 6:20 this morning from the West Farolone, a vessel which reached the burning ship yesterday, reported the transport Comet standing by and the City of Honolulu still burning at that hour.

"Cannot report condition of ship, which is still burning. Transfer of passengers to Comet to be made at daylight," the message stated.

A message received from the Comet said: "Arrived at the scene of the wreck at 1 o'clock this morning and prepared to embark passengers, but received word we must wait until daylight. Passengers number thirty-nine women, thirty-five men and 189 crew. The message was signed by Captain Hall of the Comet."

The latest wireless advice gave the position of the burning liner as 600 miles southwest of Los Angeles.

SAN FRANCISCO, Oct. 13.—The passengers and crew of the burning steamer, City of Honolulu were transferred to the transport, Comet, at 9:30 o'clock today without loss of life and the transport, steamed on its way toward San Francisco.

At the same time the freighter, West Farolone, which played a part in the rescue, turned its bow eastward toward India.

The burning hulk of the City of Honolulu was left drifting alone and slowly sinking.

RECREATION IS SUPERVISED

Fred Douglass School Children Taught Calisthenics.

J. E. Jones, principal of the Fred Douglass School, has adopted supervised recreation periods for the students. Between 11:45 and 12 o'clock each morning, calisthenics are taught to the students. This consists of fourteen exercises. The windows are opened and the exercises are given in the school building under the supervision of the teachers.

From 12:45 to 1:10 o'clock each day, 500 school children are on the playgrounds, indulging in some form of athletics. Football is the favorite game, but tennis, volleyball, basketball, and several social ball games are not without supporters. The playground is supervised by Mr. Jones and the teachers of the school.

"You would be surprised at the small amount of friction on the playgrounds," says Mr. Jones. "Quarrels, and playground fights are practically unknown."

At the end of the recreation periods a silence bell is rung. All forms of recreation stop then. The students get in line and in four and a half minutes they are in the building.

A few years ago students were punished by keeping them in the classroom during the recreation periods, but that is not true today. Every student must take part in the calisthenics and play during those periods.

INCINERATOR IS INSTALLED

New Apartment on Missouri Avenue Burns Rubbish.

The first incinerator to be installed in Columbia is on Missouri avenue in the new apartment house built by the Misses Cline and Marion Jones.

The device which has been patented, works something on the order of a furnace. A large chimney, lined with asbestos runs up through the house and on each floor a door opens into the chimney. Here the rubbish is accumulated and is dried. About once a week it is set on fire and consumed. Some incinerators are connected with the furnace pipes and furnish heat for the house but the one installed on Missouri avenue serves only to destroy rubbish.

H. A. IRISH SELLS INTERESTS

Was Field Manager of Howard-Boone Gas & Oil Co.

Hal A. Irish, who has been field manager of the Howard-Boone Gas & Oil Co., sold his interest in the company this week and has left by automobile for Tulsa, Okla., with Mr. and Mrs. James A. Burns.

Mrs. Irish expects to leave Columbia soon to join her husband.

TWO MORE STUDENTS CONTRACT DIPHTHERIA

James Glenn and Ewing Settle Are Latest Victims—Quarantine Rumor Unfounded.

Two more cases of diphtheria have been reported to Dr. W. A. Norris, county health officer, since yesterday. James H. Glenn, 805 Elm street, and J. Ewing Settle, 820 Providence road, both University students, have been taken to Parker Memorial Hospital.

Many reports are being circulated about the present epidemic of diphtheria and especially concerning the quarantine rules. Most of these reports are erroneous.

According to Doctor Norris the following rules will apply unless the epidemic gets considerably worse:

Parker Memorial Hospital will care for cases among University students but these cases will be reported to the county health officer who will make an examination of the case.

If the student is staying in a private residence when he contracts diphtheria and there are children in the house, they will be given an immunizing dose of antitoxin. The house will not be quarantined, as all University students are being cared for at Parker Hospital.

All students who are staying at a rooming house, fraternity house or hall where any person has contracted diphtheria, will be sent to the hospital where a culture is to be taken of their throats.

When a patient is cared for in a private residence, a quarantine is to be placed on the house.

Persons living in houses where there has been diphtheria are to be watched for symptoms of the disease, by the University and county authorities.

ALLIES AGAIN ARE AT ODDS

French to Oppose British Plan in Dealing With German War Debt.

PARIS, Oct. 13.—With the differences of France and Great Britain once smoothed over, the two nations were at odds again today. A clash between the representatives of the two governments was freely predicted by the press here when the Reparations Committee went into session today.

Barillon, French representative, is reported to have received instructions from his government to oppose the plan of the British for dealing with Germany in regard to her war debt, which includes a five-year cash amortization.

The plan is at variance with the policy of the French government, which believes that the payments should be made at the time they fall due.

ARMY GOODS ARE STOLEN

Capt. J. W. Faulstich Loses Automatic Pistol and Blanket.

A thief, or thieves, entered a garage in the rear of 1301 Rosemary lane last Friday night and stole an army automatic pistol and an O. D. army blanket from the automobile of Capt. John W. Faulstich.

Captain Faulstich said he had been practicing on the pistol range Friday afternoon and left the pistol in his car when he returned home. The pistol and blanket were stolen sometime between 11 o'clock Friday night and 8 o'clock Saturday morning.

The pistol was a regulation army type with the U. S. Army stamp and number on it. Its value is \$45, but Captain Faulstich said he valued it especially because he had selected it as the best pistol he had ever used, and because he was accustomed to it. The army blanket was valued at \$7.50.

Captain Faulstich has notified the Columbia police and the police of all the large cities surrounding Columbia in an effort to catch the thief.

MUMFORD PRAISES NELSON

Sni-a-Bar Owner Had Right Idea, Says Dean at Cattle Show.

F. E. Mumford, dean of the College of Agriculture, delivered an address before a large audience at the cattle show at Sni-a-Bar Farms, Grain Valley, Mo., yesterday.

Mr. Mumford paid high tribute to William R. Nelson, founder of the Sni-a-Bar Farms. He said that Mr. Nelson hit upon the fundamental facts of live stock development when he established the demonstration farm. Mr. Mumford further pointed out that Missouri agriculture is built upon its live stock breeds, not in the cornbelt, and that farmers should not underestimate the value of purebreds.

New Society Arouses Curiosity. A small sign reading, "Reserved, 12:15, for the Order of the Gilded Cage," found in the corner of a Columbia cafeteria is arousing the curiosity of the diners. Every day a group of five girls gather at the table at this time for their lunch. Nothing more of the organization is known and its purpose and appearance is still a mystery.

COMPLAINT IS MADE AGAINST KATY SERVICE

Columbia Organizations Ask Investigation of Train Connections on McBaine Branch Line.

ROAD FUND NOW \$1,500 Commercial Club to Assist in Making Pupils and Teachers City's Guests on October 20.

Action is being taken today in regard to train service on the Columbia-McBaine branch line of the M. K. & T. Railroad.

Two telegrams were sent by the Columbia Commercial Club and the Retail Merchants Association. One was to the Public Service Commission at Jefferson City and is as follows: "The people of Columbia desire investigation regarding train service on the Columbia-McBaine branch line of the M. K. & T. railroad. The branch line not making connections with main line; passengers forced to wait in McBaine from 4 o'clock in the afternoon until 8 o'clock or even later the following morning. Cannot understand why regular service has not been restored."

A telegram to W. M. Fenwick, general passenger agent of the M. K. & T. Railroad, in St. Louis, states: "Columbia today sending protest to Public Service Commission regarding service on McBaine branch."

The Board of Directors of the Commercial Club today endorsed a resolution passed by the Lions' Club to co-operate in making the 2000 school children and teachers of Boone County guests of the city on October 20. It is planned to serve dinner at noon to all those who attend the second annual Rally Day celebration from Harrisburg, Rochester, Hallsville, Ashland, Huntsdale, Harrisburg and Columbia. The club heartily congratulates the Lions for their public spirit which prompted this plan, and will support it in every way possible.

John McMullan, chairman of the Commercial Club road committee, reported \$1,500 subscribed to the road fund and estimated that with the remaining subscriptions and the pledges of the farmers along the road the sum would reach \$3,000. Mr. McMullan commended the farmers on their attitude and organization. A committee composed of Paul Hulet, Sydney Rollins and Tom MacHardy turned in the highest single amount, which was \$387.

The resignation of A. J. Meyer from the Board of Directors was read and accepted. Mr. Meyer is director of the agricultural extension service of the University and asked that his resignation be accepted due to the pressure of his work. The vacancy will be filled at the next meeting of the club. Such appointment is made by the president with the approval of the board.

Fred Elden, secretary, presided today in place of R. L. Hill, president, who is out of the city.

J. A. Groggin of Jefferson City, who was to have spoken at the meeting regarding the Columbia Automobile Club, was unable to be present.

RALPH ELLIS TO SPEAK HERE

Journalism Enthusiasts Will Hear Journal-Post Editor Monday.

Ralph Ellis, managing editor of the Kansas City Journal-Post, will speak to the students of journalism and all others interested, at 9 o'clock Monday morning in Jay H. Neff Hall. Beulah Ellis, his daughter, is a student in the College of Arts and Science.

Mr. Ellis was formerly on the editorial staff of the Kansas City Star and the Chicago Tribune.

Date for Mixer to Be Decided

The Y. M. C. A. and Y. W. C. A. cabinets are having difficulty in selecting a date for their mixer, which was originally scheduled for Thursday of next week. The proximity of the Barnwarming has made it necessary to postpone the mixer. The exact date will be decided when the decorations committee meets tomorrow morning.

Assembly at Columbia High School

Two alumni of Columbia High School spoke in the regular assembly this morning. Duane Turner, who is now a student in the University and Clyde Ficklin, Westley Woods and Rufus Williams, members of the football squad, all spoke. Nine members of the girls' glee club furnished special music.

21 BANDITS STEAL LIQUOR

The Employees and Escape With \$50,000 Worth of Booze.

CHICAGO, Oct. 13.—A band of twenty-four bandits today raided a warehouse and escaped with liquor valued at \$50,000. They tied the employees while they loaded the barrels of booze. He'll Walk Under a Ladder Next.

KANSAS CITY, Oct. 13.—Thomas E. Ellis scoffed at the superstition of Friday the 13th. He was busily sweeping the floors of a large office building here today when he was notified that his father had died and that he was heir to a \$100,000 estate.

Today's Missourian

Ten pages in two sections today. Editorial, page two, section two. Sport, page five, section one. Society, page three, section one. Market basket, page four, section one. Book page, page one, section two.

TO EXHIBIT GRID-GRAPH SCOREBOARD TONIGHT

Mass Meeting Speakers Are Col. Persons and E. B. Cauthorn—Quartet to Sing.

The mass meeting program for tonight will consist of two speeches, a song program and an exhibition of plays on a grid-graph electric scoreboard.

Col. W. E. Persons of the R. O. T. C. and E. B. Cauthorn of Columbia, a graduate of the School of Engineering, will talk on any subjects they wish to select.

New songs will be sung by a quartet, the Thundering Thousand will be expected to learn and sing at mass meetings and games.

The last quarter of last year's Kansas-Missouri football game will be shown play-by-play on the Grid-Graph with an experienced operator from Columbus, Ohio, in charge. This scoreboard will be used on Rollins field tomorrow.

Three trumpeters, a drummer and a clarinet will make the rounds of all sorority, fraternity, and boarding houses at about 6 o'clock this evening advertising the mass meeting.

200 PERSONS FOLLOW HUNT

Foxes Are Scarce in Third Chase—Many Visitors at the Camp.

The third chase of the Boone County Fox Hunters' Association was held last night. More than 200 persons met at the camp on Keyburn's farm where they divided into two groups. The chase started about 6 o'clock with approximately fifty hounds. One group of a hundred persons went to the Lockwood and Meyer farms, but the chase lasted only an hour, due to a persistent wind from the east. The other group stayed out later and had better luck on the Cheavens and Tandy farms than they had on the chase Wednesday night. Many visitors came to the camp to watch the hunters start.

Yesterday morning at 10:30 o'clock in the morning, approximately sixty hunters went on a chase near Rock Bridge. The air was too dry and the foxes scarce, but the dogs ran well.

Because of the unfavorable weather conditions which have existed during the two previous days, no chase is expected tonight. This morning some of the hunters remained at camp, waiting for some of their dogs to return. According to A. L. Ferguson, hearty appetites prevailed during the two days of sport.

VEGETABLES ARE ABUNDANT

Columbia Housewives Have Choice of Large Variety.

Lettuce and sweet potatoes are the most abundant vegetables in the Columbia markets now. Head lettuce sells at about 25 cents a pound, while leaf lettuce, which is home grown, sells at 10 cents a bunch. Cabbage is plentiful and cheap, selling in the downtown markets at 5 cents a pound.

It is rather late in the season for tomatoes, which sell for about eight cents a pound. Peppers, most of which are home grown, sell at 30 cents a dozen. Carrots are also quite plentiful at this time, selling for seven cents a pound in most of the markets.

Beets usually sell for ten cents a bunch, and turnips at 25 cents a peck. String beans are sold a great deal now, the ordinary price being 15 cents a pound.

Cauliflower has just begun to be shipped in, and sells for about 20 cents a pound or 40 cents a head.

MRS. WILSON ASKS DIVORCE

Charges Husband With Cruelty—Wants Custody of Child.

A petition for divorce was filed with the clerk of the Circuit Court this morning by Nellie Wilson against Willie Wilson. The petition states that they were married August 14, 1919 in Monroe County, and separated in May, 1922.

Mrs. Wilson charges that her husband possesses a violent temper, and that he frequently cursed and abused her. She also charges that he struck her and beat her with a club, and threatened to kill her.

She asks for alimony and the custody of the 2-year-old child.

Radio Club Elects Officers. The Radio Club of the Columbia High School was organized yesterday afternoon. It will meet regularly twice a month. The officers elected are: President, David Cunningham; vice-president, Norris Palmer, and secretary-treasurer, Kenneth Nebel.

TIGERS WILL RECEIVE "BEST WISHES" MESSAGES

Fraternities, Sororities, Local Business Men and Clubs Will Send Telegrams.

If "pop" messages are any indication of victory, the Missouri eleven should have no trouble in taking the Ames Cyclones to camp tomorrow afternoon.

J. J. Jacobus, telegraph operator at the Western Union office here, last night called the various fraternity and sorority houses and asked the members to prepare messages which will be sent from Columbia just in time to be delivered to the Bengal charges before they enter the contest. Nearly all who were called responded favorably.

In addition, a large number of Columbia business houses and local organizations have promised to have their messages ready Saturday morning.

Y. W. C. A. BEGINS ANNUAL CAMPAIGN FOR FINANCES

\$4,525 Needed to Carry on Year's Work—Captains of Class Teams Appointed.

The annual finance campaign of the University department of the Y. W. C. A. was opened yesterday at the regular meeting by Florence Conley, chairman of the finance committee. The campaign will end Saturday night at a banquet to be given for the various class teams working in the interest of the movement.

The quota is set for \$4,525. This amount is necessary to carry on the work of the association during the year, according to a budget prepared by the finance committee.

EDITOR GETS FARM DATA

Samuel Adams Says European Agricultural Condition Good.

Samuel Adams, editor of the American Fruit Grower, published at Chicago, has been visiting the College of Agriculture here for the last few days. He is getting data on farm conditions in Missouri.

Mr. Adams has recently returned from Europe where he went in the interests of the American Farm Bureau. He spent over three months in visiting Germany, Norway, Switzerland, Finland, Denmark, France and England. "With the exception of England, I found the agricultural co-operative movement in a flourishing condition," said Mr. Adams. "The world does not appreciate the rapid recovery these countries are making. Russia will soon come into her own and will soon become a factor in agricultural production. When that time comes, it will be up to the American farmer to protect American interests."

Mr. Adams left for Topeka, Kan., this morning where he will visit the Capper Publications.

AIDS IN REVISING A LAW

M. U. Girl Makes Report on Widow's Pension Measure.

Miss Mildred Northrup, a graduate student in the social sciences at the University, has made a report for the Kansas City Woman's City Club, which will form the basis for the proposed revision of the Widow's Pension Law.

The Woman's City Club of Kansas City is making a survey of the dependent widows in Kansas City with children under fourteen years old for the purpose of recommending a better law at the next session of the Legislature. The present law drawn up by Judge Porterfield in 1911 was the first of its kind in the United States. Miss Northrup, who was employed by the club, made a report of 969 cases which were investigated by the widow's pension committee of the club.

ARMOUR REFUSES TO ANSWER

Remains Silent to Questions of Federal Trade Commission.

CHICAGO, Oct. 13.—J. Ogden Armour, packer and grain dealer, today declined to give the Federal Trade Commission, investigating his deals on the Chicago Board of Trade, any answers.

Alfred Austria, attorney for Armour, stated that he had advised Armour not to answer as the latter did not have full information regarding the dealings. Members of the office force have the books which will be investigated by the commission.

SHOPMEN WANT JURY TRIAL

Union Leaders Try to Halt Granting of Permanent Injunction.

CHICAGO, Oct. 13.—Railroad shopmen named in the Daugherty injunction will demand a trial by jury in an effort to balk the granting of a permanent injunction, it was announced today.

Ministers Exchange Pulpits. Dr. J. M. McCash of Phillips University at Enid, Okla., will preach at the Christian Church Sunday at both morning and evening services. Phillips University is the largest school supported by the Christian Church, having an enrollment of about 900. There will be an exchange of pulpits next week. The Rev. W. M. Haushalter of Columbia will visit Tulsa and Enid.

A. ROSS HILL SAILS TODAY FOR WAR ZONE

Former M. U. President Will Direct American Red Cross Relief in the Near East.

\$20,000,000 AVAILABLE Organization Puts Entire Cash Assets at Disposal—More Will Be Secured, if Needed.

The American Red Cross has put its entire cash assets, \$20,000,000, at the disposal of relief forces in the Near East and has placed Dr. A. Ross Hill, formerly president of the University of Missouri and now vice-president and director of foreign operations for the Red Cross, in charge.

At a Red Cross convention Monday in Washington delegates were told the executive committee had voted to make available the entire \$20,000,000 for the alleviation of suffering among the 100,000 refugees in Athens and the 40,000 in Saloniki. In the words of John Barton Payne, Red Cross chairman, "more money will be forthcoming, if needed." President Harding sent a letter to the delegates commending the organization for the generous way in which it provided funds for the Near East sufferers.

The American committee at Athens has been authorized to draw on the relief fund to the extent of \$100,000 immediately and the Paris organization has been instructed to dispatch \$50,000 worth of canned milk for immediate relief.

&lt;
