What color are your hands? If your cheeks are pale, it is a sign that you are in a hopeful disposition and you are well situated and happy signifier that you are true and faithful if you are ill, but otherwise it is a sign of depression, to try to be stronger than you really are, and it is a sign of the fall.

The United States Commissioner of Education, Dr. P. P. Claxton, would have one-twelfth of every year in the country employed for 12 months in the year to teach elementary work in school and direct home garden after school, on Saturdays and during the summer vacations. He would have every vacant lot a vegetable garden in which the children of the country are to plant and raise flowers and vegetables.

The ladies of the Episcopal Church are very enthusiastic over the bazaar they have planned, to take place some time during Easter week. The main idea of the bazaar is decidedly original and the affair promises to be one of the most unique of its kind ever held in the Cape. There will be seven booths, and each booth will represent a day in the week, and articles will be sold accordingly. Monday being wash-day, and Tuesday ironing-day, the things the housewife needs the most at this time, she will find to her satisfaction at these booths. The Wednesday booth as sewing and mending day; Thursday will be reception day, and things to wear will be sold here, also tea will be served; Friday is cleaning day and at this booth mostly aprons, dusters, etc. will be purchased; Saturday as baking day will find many good things to eat; and Sunday, will have candy and Easter articles for sale.

County Notes

Farm Adviser.

Now is the time to spray for the San Jose scale and a number of orchard owners have already done so. It gives are not too late to do so. A thorough application of "Bulldog Lime-Sulphur" will control it. Several commercial sprays, including oils, are effective and may be obtained from a number of dealers in the county. The scale is a sucking insect and destroys the vitality of the tree by perforating the bark and sucking the sap. Several specimens have been brought to this office that were completely encrusted with the scale. It has obtained a firm foothold in the county and can only be controlled by direct measure. Any preparation that is strong enough to kill San Jose scale must be applied during the season when the leaves are all a number of years have been successful in eradicating or holding it in check by spraying.

Two weeks ago mention was made of an exchange to be established at this office. A bulletin board to be placed in the corridor of the County house where livestock grain and seeds might be listed free of charge. The idea found favor from the start and a considerable list of animals, seed oats, seed corn, and cowpans is on hand. Names and addresses will not be listed on the bulletin board, but will be supplied at this office to interested parties. To expedite matters a list of the "wants" and "for sales" will be made out and sent to each Farm Club every month. No charge will be made for this service.

Mr. J. E. Wright, delivered lectures to six Farm Clubs last week, closing at Tipton Saturday night. His talks were all practical and to the point. The subject of silos and silage proved interesting and, as he is well informed on this subject, considerable interest was manifested. Silos have proved their worth and economic value beyond question, consequently a considerable number of them will be erected the coming season.

Miss Bab Bell, Home Economics lecturer for the State Board of Agriculture lectured and gave demonstrations at Jackson, Oak Ridge, Cape Girardeau and Franklin. She was assisted by Miss Mary T. Clapin, of the Cape Girardeau Normal school. The ladies visited were much interested in this subject and clubs were formed at Jackson and Cape Girardeau, Oak Ridge having subject and clubs Oak Ridge having organized previously. The Home Economics department of the Normal then visited these clubs whenever possible. Miss Bell will return in June.

Mr. P. M. Beal of the Office of Agriculture will visit the county in April. He is well known here from former trips. This time Mr. Beal will visit in some localities in the county and will at that time be presenting every year.

A large number of papers on agriculture the commissioner of a farm club will be held at the Chamber of Commerce Tuesday evening, March 17th. A full subject program is being arranged. Prof. Beal will give a talk on "The Farm and the Future" and also on "The Farm and the Future."

FOR FIFTEEN YEARS JAMES GARRETT HAS HELD HANDS; HOPING TO FIND OWNER.

Richmond, Ind., March 12.—James Garrett, 70 years old, a farmer of Newgarben township, was in Richmond to ask newspaper treasurer help in finding the owner of a handbill and purse he found at the Richmond fairgrounds 15 years ago. Garrett explained that he had advertised his find at the time, and many times since, without avail. The purse contained a small sum of money.

"I'm getting pretty old now," said Garrett, "and I want to try one more time to find the woman who has the purse and money. I hope to restore it to her before I die."
