United Doctors Specialist

Brings the knowledge of their Organization and Experience in their Successful Treatment of

THOUSANDS OF CASES

Offers Services Free of Charge

The United Doctors is an organization of reputable, licensed physicians. They are all specialists in the treatment of certain diseases. They treat without surgical operations diseases of all internal organs, stomach, intestines, constipation, piles, liver, spleen, heart, nerves, skin, rheumatism, sciatica, goitre, tape-worm, leg ulcers and all long standing, deep seated diseases. Many years experience. The complete record of thousands of cases successfully treated prove that their methods are right. They were among the first to earn the name.

Bloodless Surgeons

Each staff member has at his command the knowledge and resources of the organization. Many people suffer from diseases that can be alleviated just because they cannot afford to go to high priced Specialists and Hospitals at a long distance from their home. No community has a sufficient number suffering from these diseases to support special Hospitals for their treatment and cure. The United Doctors have solved the problem. Their highly trained Specialists go to each community and will advise a proper course of treatment for the sufferers and instruct them how to take care of themselves at home. No matter what you have been told or the experience you had with other physicians, consult him on this visit. It costs nothing. If your case is incurable he will give you advice as may stay and relieve the disease. Married ladies must come with their husbands and minors with their parents or guardians.

PORTAGEVILLE TO HAVE BIG LOT SALE AT PUBLIC AUCTION NEXT TUESDAY

We predict there will be a large crowd from Portageville next Tuesday for the big auction sale of building lots which the Wakefield-Davis-Byrd Realty Company will have there beginning at 9:30 a. m. The new addition has been named "Fairview" and is located in the heart of the best residence part of Portageville, near two good schools, on the new Kings Highway, and since the lots are to be sold to the highest bidder it will be a splendid opportunity to make a profitable investment, for Portageville is one of the best and fastest growing towns in Southeast Missouri. There will be a choice lot and \$25.00 in gold given away during the sale, and there will also be a big dinner served on the ground by the ladies of the Civic League, and a brass band concert during the sale, by the famous Stewart Jazz Band of Memphis.

## BRAGGADOCIO NEWS.

Health is very good in this vicinity at present.

Mrs. Lula Byars who has been sick is improving.

Joe Morgan and family motored to Hayti Sunday.

Bro. Boswell and Bro. Stroup held a weeks' meeting at the Baptist church closing Saturday night.

School closed here Friday for cotton picking, and the school had a wonderful exhibit of agricultural products, cooking, sewing, drawing, writings, tatting, crocheting, flowers, canned fruit, etc. There was a basket ball game. The girls played the boys. The game ended 10 to 12 in favor of the girls. The primary room joined by the second and third grades had a program. There were about 15 or 18 visitors to hear this program, including Rev. T. R. Stroup and Rev. Boswell, both of whom made two very interesting talks. Lemonade was served. It seemed to be an enjoyable afternoon to all who were present.

Miss Viola Patterson, one of our teachers, left Monday for the Cape to attend school through the vacation. Levi Bingenheimer, another one of our teachers, left Monday for his home at Jackson to spend the vacation period.

The writer is unable to tell exactly how the other two teachers, Miss Linnie Borer and Miss Henrietta Martin will spend their vacation.

The famous Leaning Tower of Pisa is of pure white Carrara marble in the Gothic style. Its departure from the perpendicular has been variously interpreted, but there is little doubt that it arises from the softness of the soil on which it stands and which has given away. Notwithstanding its threatening appearance, it has now stood for more than 600 years without rent or decay.

## A LEOPARD CANNOT CHANGE ITS SPOTS

Mr. Dodson, the "Liver Tone" Man, Tells the Treachery of Calomel.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It cramps into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It can not be trusted any more than a leopard or a wild-cat. Take Dodson's Liver Tonic which straightens you right up and makes you feel fine. Give it to the children because it is perfectly harmless and doesn't gripe.

The Hopeful Gardener thinks he is going to beat the high cost of living this year by clever work with the hoe, while the Neighbor's Chicken wonder how soon Those Seeds are going to be Unwrapped, so the Feast can begin. Were it not for Neighbor's Chickens, Gardening would be a Clinch.
