Then spend your money where you have more dollars and cents.

Sensational Slaughter of Seasonable Merchandise

My dear friends, I am compelled to make this sacrifice. I have contracted with the Kansas City Sales Co., of Kansas City, Mo. to sell this store and a number of others. Prices will be cut regardless of cost, our loss will be your gain, the cash must come no matter how much it costs. Competitors will be surprised to see the following, we have nothing to sympathize with them or else we would. They may assail and slander us but prices are not talk and names don't look like this. Now is the time to buy for the present and lay in a supply for the future. Come and look at our prices and you will say everything market with a red tag in plain figures, the whole store is ablaze with bargains beyond your expectation you will not be disappointed. Space forbids the mentioning of all the prices, come and see the bargains we have.
