Mistake Somewhere. A story comes from a Kentucky town that is worth repeating.

The attorney looked up and smiled. "That must be a mistake," he replied, blandly.

As to the Hessian Fly. The Hessian fly is a German product which was conceived in iniquity and born in sin.

One Was Enough for Johnny. The Sunday school lesson was from that scripture which teaches that if your brother strike you on one cheek, you should turn the other also and endure even for seventy times seven.

Now, boys," he said, "how many times ought another boy to strike you before you hit him back?"

"Just about once!" promptly answered Johnny—Delinquent.

How Kind. Edyth—Jack says I was made to kiss.

Some Hard Knocks. Woman Gets Rid of "Coffee Heart."

The injurious action of Coffee on the heart of many persons is well known by physicians to be caused by caffeine.

A woman suffered a long time with severe heart trouble and finally her doctor told her she must give up coffee, as that was the principal cause of the trouble.

The doctor told me that coffee was causing the weakness of my heart. He said I must stop it, but it seemed I could not give it up until I was down in bed with nervous prostration.

For eleven weeks I lay there and suffered. Finally Husband brought home some Postum and I quit coffee and started new and right. Slowly I got well. Now I do not have any headaches, nor those spells with weak heart.

We know it is Postum that helped me. The Dr. said the other day, "I never thought you would be what you are." I used to weigh 92 pounds and now I weigh 158.

"Postum has done much for me and I would not go back to coffee again for any money, for I believe it would kill me if I kept at it. Postum must be well boiled according to directions on pkg., then it has a rich flavour and with cream is fine."

CUDAHY TO WED FIANCEE

SON OF MILLIONAIRE DENIES BREAKING ENGAGEMENT.

Young Man's Sister to Help in Purchasing Trousseau in New York City.

Chicago, Ill.—The pithy path of happiness has been cleared of all obstacles to the love affair of Edward Cudahy, son of Michael Cudahy of Chicago, and Miss Nora Brewer of San Francisco.

The son of the local millionaire packer, whose wedding to Miss Brewer was announced as indefinitely postponed because he had developed tuberculosis of a heel bone on a long tramp, stated he was still engaged to the girl of his choice and that the marriage would take place in the spring.

Mrs. John H. Casserly of San Francisco, a sister of young Cudahy, who is stopping with Miss Brewer at the Virginia hotel, has been quoted as saying that the engagement of Miss Brewer and young Cudahy no longer existed.
