

A LETTER OF APPRECIATION

To the Public:--

We want to thank our customers for their continued patronage. Our business has increased from year to year and has demonstrated that our policy and motto, "Quality and Service", which we endeavor to follow at all our yards, is being appreciated.

LUMBER

We were fortunate in buying our spring stock early and are better prepared than ever to serve you. We have handled lumber for many years; however the large stocks now arriving at our yards are positively the best quality we have ever received, and it will be to your advantage to inspect the same thoroughly before buying elsewhere.

POSTS

We will have an exceptionally large stock to select from, having bought many cars that will arrive about May 1st. Our retail prices will positively be as low as any, and if you are in the market for a car load do not fail to call on us, as we have contracted for 60,000 posts, and can actually save you money from any price you may have, besides giving you the best green cut Cedar or peeled Tamarack posts to be had.

CEMENT

We handle both Universal and Atlas Portland Cement, the best brands to be had at prices that are right.

SILOS

We are agents for the Eureka Silo. This is the first silo we have ever offered to our customers, as we wanted to be positive we had a silo that would stand up before we asked our friends to buy them. This Eureka Silo is constructed so that we can positively guarantee the same to stand as erected and nothing short of a cyclone will tear it down. Call on any of our agents and see a perfect sample and you will be readily convinced that we have a silo, the construction of which recommends itself to any prospective buyer.

The purchaser of the first Silo sold at any of our yards will have the benefit (without cost) of having a very competent man, direct from the mills, to assist in the erection of his silo.

NEW BUILDINGS

If in need of new buildings call at any of our yards for a 160 page complete plan book for any building necessary, from a Hog House to a Modern Residence. This is a valuable book which you can have for the asking.

It is a real pleasure for any of our agents to assist you and they will give you any information they can to help you secure the best plans as well as material for the least money.

Hoping that you will give us an opportunity to convince you of these facts, we are

Yours respectfully,

CARPENTER-NEUMANN LUMBER CO.

Tilly Koenen Comes to Valley City Next Fall

After negotiations lasting several months the department of music at the Normal school this week announced that Tilly Koenen, the celebrated Dutch contralto, had been secured for a recital in the auditorium early next fall. Tilly Koenen is regarded as a close rival of Mme. Schumann-Heink and is called the "song bird from the land of dykes." Since coming to this country she has captivated all her audiences with her exceptional voice and critics up and down the land have lavished their praises upon her.

Because so many requests have been received by the management for the return of the Zoellner String Quartet, not only here but all over the northwest, this organization will return for a recital in Valley City next season. This is announced by the quartet as their last tour through this section of the United States. These musicians have something new each season.

Mme. Carrie Porter, a lyric soprano, former pupil of Mme. Emma Nevada, Oscar Seagle and Marchesi, in Paris and Milan, has also been added to next season's pre-festival concert series. While Mme. Porter has been in constant demand as a teacher of voice she will devote the entire season to concertizing. She has received many glowing tributes from musicians the country over.

Other star numbers already engaged for next season are: Antonio Sala, the celebrated Spanish cellist; Warren Proctor, tenor.

Without a doubt this is the strongest course yet presented here. Every number is a star number.

H. M. Velzy was home over Sunday but went out again Tuesday in the interests of the North Dakota Mutual Fire Insurance company.

Valley City Still Leads

Last Sunday was the third Sunday of the "keeping up" contest between the Congregational Sunday school of Williston and Valley City. Reports for the day show that our city school is a good leader. The Williston school had an attendance of 262 with one perfect class and five new members while the Valley City school reported an attendance of 300 and seven perfect classes and three new members enrolled. A larger number of perfect classes is expected this Sunday. In the primary department of the Valley City school last Sunday there was an attendance of 70.

Funeral of Mrs. Emil Carlson

Mrs. Emil Carlson who passed away last Saturday, March 18, was buried from the Swedish Lutheran church Tuesday afternoon, March 21, Rev. Ernest A. Martell officiating. A goodly number attended the funeral and floral tributes were abundant. Mrs. Carlson was born in Sweden March 20, 1883. With her husband she came to America in 1908. They lived for some years near Cuba, N. D. Later, only last fall, they moved to a farm four miles southeast of this city. A husband and five small children and other relatives and friends mourn Mrs. Carlson's untimely death.

A CHEERFUL LOSER

P. G. Davidson informs the Times-Record today that notwithstanding the fierce snow storm Tuesday (meaning that he was literally snowed under) that he still has an optimistic view of life, and through these columns extends his hearty thanks to the friends who gave him their support and votes.

Good Bowling Monday by Veblen-Aldahl Team

The Veblen-Aldahl team won two out of three games from the John D. Gray team Monday night at the Pastime. C. Nelson had high score of the evening with 193 points. Sherman was a close second with 192, and had high average of 168 1-3. Aldahl had high score for the Veblen-Aldahl boys.

Traveling Men's Dance Was a Social Success

Saturday night the Traveling Men's association held another one of their enjoyable dances in the Odd Fellow's hall. There were about 30 couples present and all enjoyed themselves thoroughly. A four-piece orchestra furnished excellent music and delicious refreshments were served during the evening. Mrs. A. C. Smith delighted all present with two beautiful vocal solos. Dancing was enjoyed until midnight.

VALLEY CITY SHOULD HOLD COMMUNITY SING

(Continued from Page 9.) girls' glee club, under Prof. Kendrick's direction, was especially enchanting, they having rendered "Santa Maria" and "Night of Joy."

So many times in the year's events Valley City in the scene of large gatherings where community singing would add not only pleasure, but be a splendid advertisement for our community. Why can't the people of this city, who co-operate so splendidly in all other things, get together in one big organization and hold a "community sing," when the reputation of the city is so great where musical things are concerned? Think of the beautiful effect of all the voices singing together at Chautauqua! What would add more to the pleasure of all in attendance, or speak more for the progressive spirit and high aims of the Valley City people than this? Some one please make the motion.

ENTERTAINED FOR NIECE

Mrs. Louis Clark entertained Tuesday evening in honor of her niece, Miss Ruby Vail, about 15 guests enjoying her hospitality. The evening was spent in playing "Pit" and in music and dancing. Red carnations were used in decorating. After the hours had passed rapidly in amusement the climax of the evening came in the elaborate refreshments which the hostess served. At a late hour the guests departed with many good wishes for the hostess and the guest of honor.
