News of North Dakota

Militia Man Has Had Many Experiences

George Bolbock knows all about real war and fighting in the Balkan War. He is a member of the Serbian militia and has been serving in the army for four years. He was wounded in the leg during a battle and was taken prisoner by the Turks. He managed to escape and make his way back to Serbia. He has been serving as a spy for the Serbian government and has been successful in obtaining valuable information about the enemy's movements.

Minot Draws Livestock Men

A large number of livestock men will attend the first annual show next week in Minot. The show will feature cattle, hogs, and sheep, and will be a great success. There will be prizes for the best specimens in each category, and the judges will be expert in the field of livestock judging.
