PATRIOTISM

Patriotism and Thrift are inseparable. This is as true as that the good citizen is the patriotic and dependable citizen.

The saving man believes in and practices economy and discipline; is a man of discretion because he spends his money wisely. The man who saves his money is always equipped -patriotic, thrifty and saving—is the most useful of all citizens to his country in time of need.

It is the privilege and desire of the officers of this bank through its many facilities, but particularly the opportunities it affords in the payment of interest on deposits, to be of practical assistance to any and all who want to practice Thrift and Economy in this crisis that we are now passing through. Our office rooms are at your disposal. Plan to make use of them for meetings or correspondence. You will find our office force courteous and anxious to please.
