CONGREGATION GAVE PASTOR WARM WELCOME

Rev. and Mrs. Ernest Lagerstrom
Received By Baptist Church
Friday Evening

The congregation of the Swedish Baptist church in this city formally received its new pastor, Rev. Ernest Lagerstrom and family in the church parlors last Friday evening. The new pastor held his last charge at Alcester, S. D., and comes highly recommended. He is the successor of Rev. P. Hallin, the former pastor of the congregation.

The reception program arranged included a number of talks and several musical contributions: Emil Carlson, in the absence of the regular chairman, D. T. Carlson, was acting chairman. Rev. J. R. McCullough of the Presbyterian church welcomed the pastor and his family into the Willmar ministerial association of the

city. Rev. G. N. Tegnell reminded the new pastor of an occasion in Springfield, Mass., when the latter welcomed him to Springfield. Rev. Tegnell stated he was pleased to reciprocate the honor here in Willmar. Revs. Paulson of Lake Elizabeth and Nordell of Pahlun both expressed themselves in brief talks and warmly welcomed the guest of honor in behalf of their respective congregations.

Emil Carlson was the spokesman for the congregation and stated he was confident that future years spent in cooperation with the new pastor would be happy and richly blessed. Mrs. J. F. Nyquist represented the Sunday School in an appropriate talk. The Ladies Mission Circle was acted for by Mrs. John Thunstedt and the Young Peoples Society by Emil Lundquist.

The musical portion of the program included a piano solo by Emil Lundquist, vocal solo by Agnes Parsons and a piano solo by Gustaf Bjorsell. Rev. Lagerstrom in response to the many toasts in his honor thanked those present for their many kind expressions and stated he anticipated many fruitful and enjoyable years working in this charge.

A purse of substantial figures was presented to the pastor. After the program the three hundred present individually welcomed their new leader in an informal manner. The church parlors were prettily decorated with flowers.

Rev. Lagerstrom submitted the following greeting:

A Pastoral Greeting
In one sense it is true that we come to you as strangers, since we have never seen you before, and yet you have gripped our hearts and compelled us to feel very much at home. Your cordial and gracious greetings of welcome, your generous hospitality, which we have already been privileged to experience, and your evident interest in our hearts and have served to strengthen the connection that Willmar offers to you. Upon the pastor's shoulders rests a heavy responsibility of entering upon the pastorate and it is with a feeling of earnest solicitude for the extension of Christ's Kingdom that I assume the task.

With the accumulated strength of past years and the resources at his command this church ought to go forward to even greater things and increasing fruitfulness in this epochal day of unparalleled opportunity. To this end it is our desire "to spend and be spent" and not to be "ministered unto, but to minister." Trust that we may find ourselves mutually helpful one to another. In the fulfillment of this simple program we earnestly extend your loyal support in every enterprise so far as we are able and resources will permit as necessary.

Whatever a brother's love and a pastor's mission leads to enrich your life and strengthen the church, I hope to do.

Sincerely yours,
- ERNEST A. LAGERSTROM.

Renville Star Farmer

The C. I. Johnson Mfg. Co., of St. Paul, have just installed a Campbell 2-revolution newspaper and job press. This is one of the latest in presses and puts us in line to do any class of work done in a country print shop. Our thanks are due them for the courtesy they have shown us in its installation and also to George Gruner the expert they sent out to put it up. The old Protty that has done faithful service for nearly thirty years we almost feel like we have lost an old friend, but like everything else it must needs give place to more up-to-date methods and hence is in the discard.—Renville Star Farmer.

MORTON YOUNG LADY KILLED IN AUTO ACCIDENT

Another tragic death has been recorded in this county as the result of an automobile accident. On Wednesday evening of last week four young people were driving on the state road from Morton to Olivia when at a point near the A. V. Haubrich place the car turned over. One of the occupants, Miss Gertrude Hinman, age eighteen, daughter of Mr. and Mrs. R. C. Hinman of Morton, was pinned under the machine, and remained in that position some little time before she was released. She passed away two hours later at the home of John Barta to which place she had been removed after the accident. She did not recover consciousness after receiving the injury. The other occupants of the car were Katherine Machedt of Morton and Wilbur and Walter Bohn of Morgan. One of the young men had suffered a fracture of the shoulder blade and was brought to Olivia for treatment.

Just how the accident occurred is not known but it is that one of the rear wheels of the car broke and this caused the car to turn over. It is quite likely that the car was driven at a high rate of speed at the time of the accident.

The sudden and tragic death of their daughter is a sad blow to Mr. and Mrs. Hinman. Only a few months before they suffered the loss of a son by drowning in the Minnesota River and this second accident within a year comes as a terrible bereavement.—Olivia Times.

Dress Caught Fire
—Little Eleanor Landy was seriously injured in an accident which occurred Sunday. She was playing in the yard and had taken some matches out of the house with her. In the play her clothing took fire and when she discovered her dress burning she ran in fright across the street to L. J. Kuske's. Lillian and Hazel Kuske came to her relief, putting out the fire and removing the clothing, but before this could be done she was quite severely burned. Dr. Passer was called and he dressed the wounds and had the little girl taken home. She has since been under the care of Ethel McGowan, nurse, and is doing as well as might be expected.—Olivia Times.

Wanted at the Davison Hospital, Willmar, Minn.—Girls to take nurses training. Salary and maintenance. Apply in person. 9:15-15

—Prof. Gustavus Johnson has returned from the East and is ready to accept orders for piano tuning and player piano-repairing. Orders may be left at Hershey's Music Store. Mr. Johnson will announce the opening of his piano classes at an early date. 9:15-15

MAIL SUPPLY BOXES SAVES CARRIERS' WORK

Three City Carriers Will Fill Sacks at Branch Depots and Not at the Post Office

Some one has been moved to count the steps and city blocks which some of our carriers have to travel in order to reach the Post Office for a second helping and it was found that one carrier had to trudge or ride 12 blocks back to the Post Office, get his sack and shoulder freighted down and then hike or ride all the way back again, causing needless strain which has now been remedied in the following manner. At the corners of First St. and Litchfield Ave., 7th St. and Campbell Ave., and 5th St. and Trott Avenue you will now find large combination letter and parcel boxes where the carriers will make their route headquarters and where they will get their loads of mail and parcels. In the morning however they will all go forth from the Post Office with their first load as usual but need not come back again for the second which will be brought to the big combination box by a special carrier who will make the rounds to all the boxes and deliver the mail that accumulates in the Post Office.

Evansville Line Will Get Wheat. That the Great Northern Railway line plans to divert much of the wheat tonnage now handled over the Willmar division, by way of Evansville, Alexandria, and St. Cloud to the Head of the Lakes, is a story going the rounds of railroad circles this week. Within the year heavier steel has been laid on the Evansville line and improvements made to the roadbed which indicate it is planned to use it for heavier traffic. Extensions are being made to all side tracks between Evansville and St. Cloud, it also is announced. Breckenridge will be the point at which the wheat tonnage will be diverted to the Evansville line. It formerly went to Willmar and over the Sandstone line to Duluth.—The Gazette Telegram, Breckenridge, Minn.
