A CHURCH APPEAL
A pious citizen fell in the river and would have been drowned but for a negro, who jumped in and at the risk of his own life rescued the drowning man. The citizen handed his rescuer 25c. The crowd who had gathered were indignant and said to the negro, "Make him give you more than that." But the negro quietly replied: "Never mind. He knows how much his life is worth."

How much would Willmar be worth without the wholesome, radiating, ennobling influences of Christianity? What would homes be worth without its power to bless to sweeten and protect? Is not business more stable, reliable and prosperous because of the churches? And what is the church worth to your father and mother, burdened with responsibility of caring for the home and providing for the true welfare of your children? Come let us have a chance to help you. Come and accept the chance to help us. This is not merely a trifling question of dollars and cents, but one of "sense." It concerns the more vital question of personal attitude.

HIGH FOOTBALL SQUAD IN CONSTANT PRACTICE

Coach Trebilcock Occupied In Whipping New Material Into Gridiron Team

The outlook for football at the Willmar High School is encouraging, gathering from the fact that some twenty-five aspirants to berths on the 1920 eleven are out daily for practice. Coach Trebilcock states that altho a number of the men are as yet somewhat slow in action and in grasping the theory of the game, the prospects are bright for a hustling and doing squad.

The team has retained quite a number of last years men who shed athletic honors upon their Alma Mater but greatly misses the stellar services of Franklin Nelson, halfback, now at Colorado "U"; George Odell, 1919 Capt. and end; Richard Gratz, Guard; enrolled at St. Johns Military School and Harold Carlson, guard, attending the "U" of Minnesota.

The schedule for fall games has not been drawn up but challenges have been filed from Hutchinson, Hancock and Montevideo, champions of last season. Willmar has an athletic score to settle and looks forward to the next meeting with the Chippewa champions. There are some possibilities of arranging the opening game of the season with Benson at the latter's grounds one week from Saturday and the week following a game with Renville here. Negotiations with the managements of these teams are in progress, the success of which will be announced at a later date.
