FIRST PRESBYTERIAN CHURCH

J. Renwick McCullough, pastor.

Special attention is called to the conference on Christian Fundamentals to be held in the Presbyterian church beginning next Sunday and continuing throughout the week; under the auspices of the Men's Bible class of our Sunday school. This conference is but one of the many that are being conducted throughout the United States, and Willmar is indeed fortunate to have in her midst the men who constitute the program. The following speakers have been promised to us: Dr. Chas. T. Alexander of Kansas City, who opens the conference on Sunday; Dr. J. W. Lawrence of Dallas, Tex.; Dr. Gustaf Johnson and Dr. Wm. B. Riley, both of Minneapolis and well known in the community.

These conferences will be conducted on Sunday at 10:30 a.m., 3 and 7:30 p.m. During the week there will be two services each day, 3 and 7:30 p.m. This conference is purely non-denominational, several denominations being represented in the speakers. These noted Bible expositors stress only those doctrines of the Bible that are accounted fundamental and acceptable by all Christians. Make the most of this wonderful opportunity.

There will be special music in abundance, solos, duets, quartets and choruses, with much stress laid upon the congregational singing. On Friday evening at 6 o'clock the conference banquet will be served in the church dining room at the cost of 35 cents. Tickets will be on sale at the church and must be obtained before Friday morning. Everyone is welcome. Don't miss a single session. Full announcements of the program will be made next Sunday.

RABBIT HUNT AT BENSON

A report was received here Sunday, 92 of the great hunters at Benson ventured out on a rabbit hunt. They left the village in two groups. The losing side was to pay all the expenses connected with this great hunt.

The 92 nimrods succeeded in bagging 1,240 rabbits that day. They had all the rabbits displayed in the railroad park at Benson. People of that place report that it was the largest number of rabbits that they have ever seen at one time. The hunters tried to sell the rabbits to some firm in the twin cities, but they could not take care of so many at this time. The rabbits will be frozen and shipped to a firm in Chicago.

The general public is most cordially invited.
