### Asa P. Brooks Recalled.

Mr. Brooks was recalled Saturday He had an old hammer in his office. in evidence, but I will say that he had premises. an old, short handled hammer. I went some other tools. The tennis club consisted of five young men. The hammer fendant's father. was a new one.

The club was organized a year ago since I saw the old hammer in Dr. Gebhard's office. He roomed with C. A. Zelle and the tennis court was west of there. The new hammer went into Dr. Gebhard's hands a year previous to his morning at nine o'clock. death, in November. The tennis club played two summers. The tools were not taken back to the grounds.

On cross examination, the witness said that it was a year ago last month that a fence was built around the grounds, and the hammer was used then. Later Mr. Brooks got a little mixed and said that he couldn't remember just when it was. The tools were livided at the close of the first season's playing, but whether it was one or two years ago last fall he could not say. A wire fence was built the first season, which he thought was in May, 1903. Won't be positive when the hammer was bought. Never saw the tennis hammer in Dr. Gebhard's office, to my knowledge to borrow a hammer of Dr. Gebhard. Wouldn't swear that the old hammer that I saw there had a broken claw a battered face or a home made handle. was never in his laboratory when he was working.

Mr. Pfaender read from Brooks' testi nony before the Henningsen inquiry, where he said that he did not go fre mently to Dr. Gebhard's office. Wit ess did not think that he had said this, out would not swear that he had not Witness said that he had seen a barrel in Dr. Gebhard's office, but did not know what was in it. Had heard that chomicide. It was about 9 on all points. Had no trouble in un the Koch case. He was formerly with it was a cement barrel. Didn't know that it was a plaster of paris barrel.

Had a Similar Hammer. Fred Schwede was called and H. L. in New Ulm seven years. Am a fisherin evidence, but cannot say that this is mine. I bought it in Fairmont two
