## "Yours for Real Tobacco" says the Good Judge

Men are getting away  
from the big chew idea.  
They find more satisfac-  
tion in a little of the Real  
Tobacco Chew than they  
ever got from a big chew  
of the ordinary kind.  
Costs you less, too—the  
full, rich tobacco taste  
lasts so much longer.  
Any man who uses the  
Real Tobacco Chew will  
tell you that.
