

NEVADA COUNTY PICAYUNE

THIS PAPER IS FOR PRESCOTT, NEVADA COUNTY, AND THE STATE OF ARKANSAS. WHAT ARE YOU FOR?

PRESCOTT, NEVADA COUNTY ARKANSAS, FRIDAY, MAY 29, 1914.

NUMBER 7

WHAT SHALL WE DO WITH THE ROADS?

On June the 20th 1914, at the Court House in Prescott, there will be a meeting of the road committees from the townships throughout the County for the purpose of making an effort to solve the question of road improvement.

The question at the head of this article is designed to be before us for some time to come. It will not be settled until the roads are built, and the sooner we get at it the better it will be for all parties concerned.

I want every man interested in better roads to be at the meeting. Do not know just what will develop there but I do know we are going to get busy and if you are not there, you should not complain if we do something that you do not like.

One thing that I am sure we will undertake will be the formation of an improvement district. It is proposed by the people of Prescott to form an improvement district and build a road from Prescott to the old park road near Laneburg. This is one of the worst roads in the county and is traveled more, perhaps, than any other three roads in the county.

Any township or part of township will have an opportunity to come in on this proposition if the majority of the people living in the territory desire to do so, and continue the road as far as they like.

All overseers and committees are delegates to this meeting, but every good road advocate is cordially invited to come.

NOTICE

The first of May I will be on the road filling Gins. I have the most complete outfit for gumming and filing ever in South-west Arkansas. Many of the small ginners have listed their gin systems with me to sell as they are going to put in four new systems, all that are practically good I am going to sell. So you will do well to see me if you contemplate buying. I am handling second hand boilers and engines.

WANT \$1,000 YEAR MINIMUM SALARY FOR MINISTERS

Chicago, May 25—One thousand dollars as the minimum of a Presbyterian minister was advocated today before the General Assembly of the Presbyterian church, Northern, that men whose life had been spent in the pulpit might pass their declining years in comfort.

The plea was made by Rev. Murdock McLeod of Tacoma, Washington, chairman on the committee on ministerial relief. His report showed 1,493 names on the dependent roll, 192 being added this year.

NOTICE

On Saturday, June 6, I will deliver at Ward's Chapel, a lecture on the principles of the Guardians of Liberty. It is our purpose to organize a court at this time.

All liberty loving people are invited to be present.

J. B. McKenzie.

NOT FIT FOR LADIES.

Public sentiment should be against it and we believe it is; there can be no reason why ladies should suffer with headaches and neuralgia, especially when Hunt's Lightning Oil gives such prompt relief. It is simply a question of getting the ladies to try it. All druggists sell Hunt's Lightning Oil in 25c and 50c bottles. A. B. Richards Medicine Co., Sherman, Texas.

\$500.00 REWARD

On the night of the 10th day of April, 1913 fifteen cases of shoes part of an interstate shipment—were stolen from box car N. Y. C. H. R. No. 105465 in the yards of the LOUISIANA & ARKANSAS RAILWAY COMPANY at Hope Arkansas.

The parties guilty of the burglary of the car and theft of the shoes may be indicted and convicted in the Western District of the United States District Court Texarkana Division.

For information leading to the arrest and conviction of the guilty parties, the management of the Louisiana & Arkansas Railway Company offers a reward of FIVE HUNDRED DOLLARS (\$500.00) Signed this 12th day of May 1914. Louisiana & Arkansas Railway Company.

SILLIMAN'S BOOKS KEPT BY MEXICANS

American Consul Was Imprisoned Three Weeks by General Maas' Orders.

Vera Cruz.—John R. Silliman, United States vice consul at Saltillo, who arrived here today, stated tonight that he was confined in the penitentiary at Saltillo for three weeks under orders of the Federal General Maas. Mr. Silliman declined to discuss the taking of the State Department code from his office by General Maas, but it is learned that the books were not returned to him when he was released.

Mr. Silliman paid tribute to H. L. LeCener, who escorted him from Saltillo as the representative of the British vice consul there. He also thanked the Brazilian minister for his efforts.

The vice consul said:

"The journey from Saltillo to San Luis Potosi, which ordinarily requires 12 hours, took seven days, on account of frequent interruptions by the Constitutionals. The railroad and telegraph lines were badly damaged and there were three engagements in which a number on both sides were killed and wounded."

"The intention of the Constitutionalists appeared to be to isolate Saltillo by cutting the only line of communication and forcing the evacuating of the city. When I left Saltillo May 14 it was reported that General Joaquin Maas and 10,000 or 12,000 men in or near the city. The Constitutionalists did not seem prepared for an attack."

"I was kept in confinement by General Maas in the penitentiary at Saltillo for 21 days."

TO THE TELEPHONE PATRONS OF PRESCOTT AND COUNTRY

The committee appointed at the mass meeting Tuesday night requests every citizen of Prescott and country that is interested in the matter of raising the rates on telephones, to meet at the Court House Friday night, May 29th, for the purpose of discussing the matter from every angle.

The management of the system has announced that after June the first the rates will be raised, both in the city and country. This meeting is for the purpose of finding out whether this intended raise is justified or not.

Let everybody come out and settle this matter one way or the other.

Respectfully,
The Committee.

KIRBY AND CLARK CONTEST NEXT WEEK

Meeting of State Committee Tuesday Will Be Arena for First Round.

Next Wednesday at noon Judge W. F. Kirby will lay before the Democratic state convention in Pine Bluff his claims to the Democratic nomination for the United States Senate to succeed Senator James P. Clarke, who has been declared the nominee by a majority of 213 votes.

The Democratic State Central Committee will meet Tuesday, June 2, in Pine Bluff to take up preliminary convention matters and to pass upon any contests that have not yet been acted upon. The credentials of contested delegates will be passed upon and the committee will also decide upon the temporary organization of the convention.

Members of the state committee are said to be divided over whether they shall allow Governor Hays to name the temporary officers. Several of the committeemen contend that this would be in keeping with the precedent set in previous years. Others, however, will bitterly oppose giving the governor this privilege.

Both Candidates on Hand.

The Kirby forces will maintain headquarters at the Hotel Pines, the Clarke supporters having arranged for headquarters at the Jefferson hotel. Judge Kirby will go to Pine Bluff Monday, and has requested the delegates who favor him to go to Pine Bluff on that day for a preliminary conference. He will be represented before the convention by Attorneys Smead Powell of Camden, his campaign manager, Judge N. F. Lamb of Jonesboro and Frank Pace of Little Rock.

Senator Clarke is expected to go to Pine Bluff also, accompanied by his Little Rock advisers, including his attorney, Judge J. H. Carmichael, and the law firm of Coleman & Lewis.

Judge Kirby said yesterday that he thought it proper that the State Central committee allow Governor Hays to name the temporary organization, but declared that he "didn't know what this committee might do."

NEVADA COUNTY INSTITUTE

The Nevada County Institute will meet at Prescott June 8th and will last until and including June 12th. Every teacher in the county should attend this Institute.

County Examiner.

\$90,000 ON HAND TO FURNISH THE STATE CAPITOL

Bids For Outfitting the State Building Will Be Received By the Commission Next Tuesday.

Next Tuesday bids will be received by the State Capitol Commission for the new Capitol building, including office furniture, vault fittings, electric light fixtures, carpets, linoleums and others. The commission has an appropriation of over \$90,000 with which to purchase the furnishings.

Indications are that there will be several bidders to furnish the furniture, etc., among them being several Little Rock firms. Of the total appropriation of over \$90,000 with which to buy the steel safe furnishings.

Each office room will be equipped with desks, tables, chairs, hat trees, umbrella stands, cuspidors, and in some offices with typewriter desks, with accompanying chairs, bookcases, book-keeper's desks, etc. There will be the standard desk chairs and office chairs, flat and roller-top desks and tables.

Carpets will cover the floors in some rooms, while linoleums will be used in others. The electric light fixtures will be heavy, and of the latest designs and patterns, and will be mostly of brass.

The steel vaults in many offices will be cases, tiers of shelves and files of various kinds and sizes. Drawers and pigeon hole shelving for the accommodation of all sizes of papers and documents will be erected in the various vaults.

Plans and specifications of the furnishings are on file in the architect's office. They are bulky and voluminous and contain detailed information regarding the quality and quantity of each design of furnishing to be purchased.

No bids for the furnishing of the new State Capitol building will be filed later than June 2, and the result of the bids will be made public as soon as the commission can go over them and determine the lowest and best bidder. The board reserves the right to reject any or all bids and to award the contracts to whom they consider the best bidder, irrespective of the bid.

HOG CHOLERA SERUM BE MANUFACTURED IN LITTLE ROCK

Fayetteville.—The State University has just completed arrangements with the Weil Packing Company of Little Rock to construct on the grounds of the packing company a plant for the manufacture of hog cholera serum. By having the serum plant in connection with the packing plant the hogs necessary for the manufacture of the serum can be had at a very low price, and the cost of the serum to the farmers will be greatly reduced.

Every year cholera kills hogs worth millions of dollars, the total loss of the whole country being estimated last year at eighty millions. A large part of this loss occurred in Arkansas. The serum, if used in time, is a sure preventative of the disease.

Plans for the building of the new plant are being drawn by the university engineering department and construction work will begin at once.

MEDIATORS SEEK MAN TO SUCCEED HUERTA

Washington.—Effort of the A. B. C. mediators in the Mexican imbroglio is to arrange for a change of Mexican executives in a dignified manner. The mediation conference in all probability will not choose a provisional president. This will have to be done by the Mexico City government. But the process which is receiving consideration is the drawing up of a list of representative Mexicans from which a certain number might be approved by the United States and all parties concerned so that there would be no question about recognition being accorded the officials chosen therefrom.

This selection, it is understood, will be submitted to the Constitutionalists and an effort also will be made to get the viewpoint of the Zapaista element. On these the mediation conference is pre-occupied at present and indications point to an early agreement.

HUERTA SECURES ARMS

Vera Cruz, May 27.—The German steamer Bavarian has been held here upon her arrival without manifest at General Funston's order. The Bavarian recently landed a large quantity of ammunition on Mexican soil.

It is estimated that the Bavarian put ashore 1,800,000 rounds of ammunition. The cargo was destined for Vera Cruz, but was diverted to Puerto Mexico. The steamer reached here Sunday. The captain admitted landing the cargo, which included also 3,000 rolls of barbed wire.
