

# WAR SAVING STAMPS

United States Government Baby Bonds

## WHAT Are They?

They are War Savings Stamps.

They are of two kinds—

United States Thrift Stamps (25c each).

United States War Savings Stamps (\$4.12 each).

Sixteen U. S. Thrift Stamps plus twelve cents in cash in December, 1917, or January, 1918, will purchase a War Savings Stamp, which when affixed to a War Savings Certificate is the guarantee of the Government and the people of the United States to repay on January 1, 1923, the full amount with interest at 4 per cent, compounded quarterly.

The U. S. Thrift Card is a pocket-sized card given free of charge to purchasers of U. S. Thrift Stamps.

The War Savings Certificate is a pocket-sized card given to holders of War Savings Stamps.

War Savings Certificate are as safe as the United States.

## WHY Should I Buy Them?

BECAUSE—We are at war.

BECAUSE—The more we save, the more labor and material will be available for the use of the Government and for the support of our army.

BECAUSE—We must have dollars as well as men in the fight for freedom.

BECAUSE—They establish the soundest and simplest basis for saving, which is the key to individual success.

BECAUSE—There is no safer investment in the world.

BECAUSE—War Savings Stamps must increase each month in value.

## HOW Can I Buy Them?

As simple as buying postage stamps.

This is the simplest security ever offered by a Government to its people. Any man, woman, or child who can save twenty-five cents can obtain at any Post Office or Bank a U. S. Government Thrift Stamp and a Thrift Card to which to attach it. This starts you as an investor and puts you behind the Government.

## WHEN Shall I Buy Them?

Buy them now, because the cost increases one cent every month after the first of January, 1918.

The sooner you buy them, the less they cost.

The price of War Savings Stamps is \$4.12 in December, 1917, and January, 1918, and increases one cent each until in December, 1918, when the price is \$4.23.

The cost is as follows:

January .....	\$4.12	April .....	\$4.15	July .....	\$4.18	October .....	\$4.21
February .....	4.13	May .....	4.16	August .....	4.19	November .....	4.22
March .....	4.14	June .....	4.17	September .....	4.20	December .....	4.23

No Commissions are charged to you, or paid to any one.

Our soldiers and sailors may give their lives; you are asked only to lend your money.
