TShe wise man wins popularity by frankly admitting his ignorance. It pleases others to think they are of a superior mind.

Don't make excuses to your wife. She feels better after handing you a piece of her mind.

If you want to become popular with a man just tell him that he is popular with the girls.

The homely woman is seldom to be pitied. Where looks are denied there is generally an excess of brains.

Some girls have "boy on the brain". It is first necessary to have a brain.

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* on the wrapper all these years just to protect the coming generations.
