

# Guilty or Not Guilty?

In the March Issue, of one of the Life Insurance Journals, the statement for 1917, as reported by a number of Legal Reserve Life Insurance Companies, Showed that their Total gross losses on account of deaths were \$168,000,000.00.

They could have safely said further, that 30 to 40 per cent of this was paid by the Insured, as he had the actual CASH deposited with them to Pay It.—HIS CHERISHED CASH VALUE.

The statement also mentioned that the Premiums Paid these Companies for this insurance, would have bought, or entitled the families involved, to \$577,650,000.00.

These Companies were not to blame. They did just what they agreed to do. The Husbands and Fathers who bought it, settled when they signed the applications for 30 cents on the dollar.

The same thing is being done all over the Country, and will be, until men begin to apply a little thought.

If YOU are Paying enough money for \$1,000.00 Insurance, to have given YOUR FAMILY \$2,500.00 Insurance, you have just SHORT CHANGED them \$1,500.00. This may look all right to you, but it doesn't to me. They ought to invite YOU to one of their Million Dollar Banquets. You are helping to pay for it.

## Calomel Today! Sick Tomorrow! I Guarantee Dodson's Liver Tone

Don't take nasty, dangerous calomel when bilious, constipated, headachy. Listen to me!

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

## Only One Thing Now Lacking --Money.

"I have doctored nine years for stomach and liver trouble and spent thousands of dollars, but instead of becoming cured of these ailments, my bloating and pains and attacks became worse. I was persuaded a year ago to take Mayr's Wonderful Remedy and have never suffered since taking the first dose. I wish I had the money back I spent for other medicine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all the stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by Boyer Drug Store adv.

### ARKINDA NEWS.

Arkinda, April 3.—(Special)—J. A. Hughes returned Wednesday from Vivian, La.

There was quite a number of King Rider citizens at Ashdown Tuesday, concerning the school interest at King Rider. They seem to have considerable trouble in getting things adjusted to suit all parties, which is a hard problem to solve.

C. L. Jennings has recently returned from an extended trip to Greenville, Tenn.

J. C. Stanford went to Foreman Monday.

Floyd Chappel and Henry Horton were guests of Mr. and Mrs. A. J. Bishop.

J. W. Chappell and Joseph W. Epps and Dave Chesser went to hear a Russellite preach Tuesday night. The sermon was delivered at the residence of Mr. and Mrs. Vines, which was most excellent. The sermon was delivered by the Rev. Herr.

There has been several dogs poisoned here for the last two or three weeks. Some valuable dogs have been killed, and \$10 rewards has been offered for the person or persons that did the sneaking and undermining deed. They say they have just about gotten the evidence on the right man.

Mr. and Mrs. L. A. Key were visitors here Tuesday.

The singing dates of the Arkinda class has been changed from Sunday night to Sunday afternoon at 2:30. The officers of the class are: B. G. Nichols, president; Miss Ruby Adams, secretary and treasurer; M. Fallis, leader.

The citizens of Arkinda vicinity held a mass meeting in the school auditorium Monday night to see how many was in favor of cattle dipping, and how many were against it. So the result showed that all present were to a great extent opposed to dipping, while some obstinately refused to dip at all. They say they had rather pay a fine than to be guilty of cruelty to helpless animals. It is predicted that we won't have to dip the whole season through—the reason being withheld in the minds of those concerned.

One man said he lost ten bales of cotton last year by having to dip his cattle. Another said he had his valley nearly done, and when he got it done there would be about 100 acres in it. It is anticipated there will be more or less trouble over the dipping of cattle this season. There are some that have been heretofore highly in favor of the dipping, but now they are driving their cattle into Oklahoma for refuge, and the same rule applies to some concerning the hog law. We would like, if possible, to ascertain the reason those men should previously want such laws. One man that has been mighty in favor of these menacing laws has asked that his name be suppressed in all conversations concerning same.

Clyde Bayless came in Thursday from a Georgia camp. Mr. Bayless has served several years in the army. He said he was one man that had served his time out in the army.
