RICHMOND NEWS.

Richmond, April 3.—(Special)—Won't you please come out to the box supper at the school house Saturday night? We are to have a little program and afterward the sale of boxes and then "eats". Our school is supporting a French orphan and we use this means of helping out our funds. Everyone will be welcome, and we shall try to have the nicest time ever for all. And of course we will appreciate every one who can, bring a box and every one who can make pie crust, want you donate a pie? We thank you for the help in advance.

Mrs. D. B. Bush and little son, Paul, have been real sick this week. They are both better today.

Dr. W. E. Vaughan and James Hemphill went to Texarkana Tuesday. W. I. Joyner of Ashdown was in town Wednesday.

Miss Willye Lewis is visiting in Ashdown for a few days.

Mrs. Lou Bailey, who visited her daughter, Mrs. Lewis last week, is now visiting relatives in Foreman.

WHY IT SUCCEEDS

Because It's for One Thing Only, and Ashdown People Appreciate This. Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are fore one thing only.

For weak or disordered kidneys. Here is reliable evidence of their worth.

Mrs. M. J. Hancock, Nashville, Ark., says: "My back pained me and it was almost impossible to stoop or life. My kidneys acted irregularly too. I read about Doan's Kidney Pills and got a box. They relieved the attack and I had no further trouble for 4 months. Then I had a return attack, but I again used Doan's Kidney Pills and they fixed me up in fine shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hancock had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. adv.

It is a mistake to put off road building waiting for lower costs. All expert authorities agree that the price of labor and materials will never again approach the pre-war level. The war ended last November. Since that time the mercantile world and the building trades have bought from hand to mouth waiting the drop. It has not come. With the country nearly five years behind in construction, and no construction of consequence of a peacetime nature going forward during that time, what is really to force prices down when the grand construction rush does start? Figure it out to suit yourself, but let's build these roads now and begin using them. A modern road system will make a great county of this. The next five years will see more real farm development and city improvement than has the last twenty, if we build the roads.

DeQueen will send some prominent speakers over to the Bankhead Highway Convention at Mineral Wells this month to pull for the Oklahoma route. DeQueen is all right, but if DeQueen gets the highway, Ashdown don't. Since we have gone as far as we have, why not go the rest of the way and have representation at this final and deciding convention? The argument is in our favor, but may not avail us if not properly presented.

In this county during the last two years more land has been bought, not by non-residents, but by home people than ever before. Any real estate man will tell you that his business has been good, and will tell you that most of the deals made by him have been between neighbors. We like to see this because it discounts that old gag about catching suckers. These people are buying because they know and have faith.

Crowd your acreage with corn, Velvet beans, soy beans, cowpeas, peanuts and sweetpotatoes and Little River county farmers will keep the railroads hot from here to Kansas City next year with cars of fat hogs and cattle. The by-product will be increased fertility to your soil.

Corn planting is fairly on the way throughout the section, and the rains the latter half of the week were an advantage. From all accounts the acreage is being increased over last season, and the prospects for a larger feed crop of all kinds seems assured.

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Phillips, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days. I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go. I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me."

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle. I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. E 78

Stella-Vitae

THE GUARANTEED TONIC FOR WOMEN

Stella-Vitae has been in successful use in the treatment of those diseases peculiar to women for more than a third of a century.

For nearly ten years it has been sold under a plain, positive guarantee to benefit. Less than one bottle out of every one thousand sold has been refunded for, and every claim for a refund has been satisfied. Thousands of letters like this praising Stella-Vitae and telling of benefit to suffering women have been received.

Mrs. E. M. Russell, of Mill Springs, N. C., gratefully writes us as follows:

"I was in a most wretched condition; had palpitation of the heart and would swell and bloat in a most distressing way. When I began using Stella-Vitae I weighed 108 pounds. Now I weigh 135. I am more thankful than I can ever tell you for the great good this wonderful medicine has done me."

Mrs. Russell was at that critical period, the "change," and her sincere gratitude for the blessed relief will be understood and appreciated by every woman who reads her letter.

Stella-Vitae has proved a boon to suffering womanhood, to young girls approaching their first vital period, to women approaching the anguish of childbirth, to women approaching the "change of life." Stella-Vitae strengthens the female organs and promotes regularity in the monthly function.

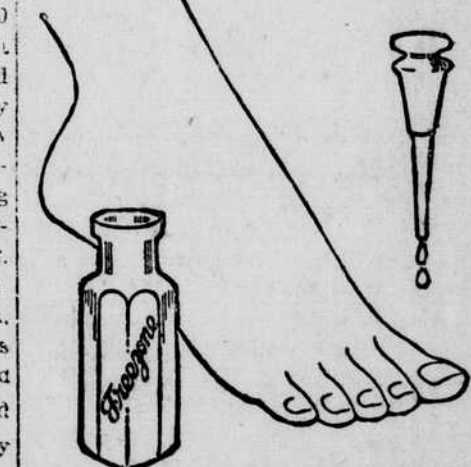

No risk of loss is taken by any suffering woman who tries Stella-Vitae on our guarantee of the first bottle.

All dealers sell Stella-Vitae and will return your money if it does not benefit you. Don't put off a trial.
