"I have been selling Chamberlain's
Tablets for about two years and heard

THE WAR

The Americans, French and Brit-
ish continue their forward drive.

During the past week, the British
have done some brilliant work, hav-
ing pushed across the famous Hind-
enburg line to a depth of seven miles
at one strong point and taken 16,000
prisoners.

Latest reports show that the Amer-
icans and French are doing equally
as well.

Since the beginning of the recent
drive, the Allies have taken over
200,000 German and Austrian prison-
ers and vast war material.

The Boston Red Sox have the first
game in the World series—1 to 0.

They Recognize America

The other day a well-meaning friend
came into the office and asked if we
did not think that American newspa-
pers were having too much to say
about America's part in the war. He
went on to state that while Americans
were no doubt doing wonderful fight-
ing, we must remember that we are
still playing a small part in the great
game. He was afraid that our allies,
seeing so much about Americans in
the newspapers, might conclude that
we do not recognize their part in the
struggle.

In answer to the friend's criticism,
we beg to submit a number of head-
lines from one edition of an English
afternoon newspaper, every one of
them printed in bold-faced type:

"Americans to the fore—Over the
Top With a yell." "America in It—
Fierce Fighting With the Bayonet."
"Americans' Rapid Sweep—Enemy
Unable to get Airplanes Away."

If the English newspapers thus
headline the activities of our boys in
the fighting, we fail to see that we
here on this side are immodest in
printing what we do in regard to them.
Regardless of the numbers involved,
the fact remains that to us here in
America the fighting of our own boys
is the most important part of the war
—to us. It does not mean that we do
not appreciate the fighting of our al-
lies when we laud the work of our
own. It is not because we love the
allies less; it is because we love our
own the more.—Columbus, Ohio, Dis-
patch.

Death of Mrs. Hugh White

We regret to announce the passing
of Mrs. Hugh White, which took
place at her home in Meeker on Mon-
day, Sept. 2nd, after a long illness.

Mary White was born at Columbus,
S. C., on Oct. 12, 1873, and first came
to Meeker in the summer of 1911-12,
with her son Raymond. She married
Hugh White in March, 1912, and has
lived in Meeker up to the time of her
death.

Mrs. White was a devoted wife and
mother, and a good neighbor. During
her many months of sickness she was
a very patient sufferer, and took an
active interest in her home, even in
great physical weakness. Her genial
presence will be greatly missed by all
who knew her. She is survived by
her husband, her mother, a brother
and sister, and her son, R. J. Bucher,
who is serving his country in the
United States Navy.

The funeral services were held at
the house on Wednesday afternoon at
2 o'clock by Rev. Philip Nelson of St.
James church, and were attended by
her husband and many of the neigh-
bors. Other relatives lived too far
away from Meeker to attend the
funeral. The pall-bearers were Messrs.
Nels Hanson, Ben Nichols, Jos. Roomey,
Wm. Simpson, L. F. VanCleave
and Jas. Waller, all members of the
I. O. O. F. fraternity. Interment took
place at Highland cemetery.

"May she rest in peace and light
perpetual shine upon her." P. N.

ful floral offerings. HUGH WHITE.

EDWARD T. TAYLOR

A Fighting Marine

The following is from the Norfolk
Ledger-Dispatch of August 23rd:

Lemuel C. Shepherd, First Lieuten-
ant, United States Marine Corps, is
the first Norfolk soldier, so far report-
ed, to receive a distinguished service
cross for heroism and gallant action
on the battlefields of France. General
Pershing's communique for August
19th announces the award of the dis-
tinguished Service Cross to 25 officers
and men, four of whom lost their lives
in the acts of bravery. Among those
who live to wear the crosses are First
Lieutenant Lemuel C. Shepherd of
Norfolk, son of Dr. and Mrs. Shep-
herd, 803 Colonial avenue.

On June 6th, near the Lucy-Torey
roads, Lieutenant Shepherd declined
medical treatment after being wound-
ed and continued courageously to lead
his men. The letter from the Major-
General commanding Lieutenant
Shepherd's unit to the parents of the
young lieutenant follows:

Headquarters U. S. Marine Corps,
Commandant's Office, Aug. 21, 1918.
My Dear Dr. and Mrs. Shepherd:

It is indeed a pleasure to be able to
write you that your son, Lieutenant
Lemuel C. Shepherd, Marine Corps,
has been awarded the Distinguished
Service Cross by the Commanding
General of the American Expedition-
ary Forces in France for gallant and
conspicuous service in action set forth
specifically as follows:

"He displayed exceptional bravery
in organizing and leading a party of
volunteers through heavy machine
gun fire for the purpose of rescuing
two wounded men on the Lucy-Torey
roads, June 6th, 1918."

News of this nature is always pleas-
ant to impart and I am sure you will
be glad to learn that your son has
maintained himself so gallantly in
the presence of the enemy as to have
called forth the commendation of his
commanding officers and the award-
ing of the highest honors.

"Very sincerely,

"GEORGE BARNETT,

"Major-General Commandant."

Lieutenant Shepherd, who was in a
hospital for several weeks as the re-
sult of wounds, received in battle, is
now recuperating in the south of
France, and writes his relatives that
he will soon be able to return to his
post.

Dr. and Mrs. Shepherd have fre-
quently visited Meeker and the Bu-
ford country. About the time this
Nation entered the Great War young
Shepherd had graduated from the
Virginia Military Institute. He en-
tered the Marine Corps and was com-
missioned a second lieutenant, and
went "over" with that famous fight-
ing body.
