MAN GIVES WIFE

GLYCERINE MIXTURE

She had stomach trouble for years. After giving her simple buckthorn bark, glycerine, etc., as mixed in Adler-I-ka her husband says: "My wife feels fine now and has gained weight. It is a wonderful stomach medicine." Adler-I-ka acts on BOTH upper and lower bowels, removing foul matter which poisoned stomach and which you never thought was in your system EXCELLENT for gas on the stomach or chronic constipation. Guards against appendicitis. The impurities it brings out will surprise you.

Chamberlain's Tablets Have Done Her A World of Good

Chamberlain's Tablets have done me a world of good, writes Mrs. Ella L. Button, Kirkville, N. Y. I have recommended them to a number of my friends and all who have used them praise them highly. When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.

HOME TOWN PAPER WEEK

Nation-Wide Movement Set for November 7th to 12th.

Every Four Corners has its Home Town week nowadays, but all the boys and girls who have wandered from the Township Center cannot get back to enjoy the loved surroundings. But all can subscribe to the old home town paper and thus keep well in touch with the little spot they once called home.

What joy to run over the school promotions and find that the tots of a few years ago are moving higher and higher in scholastic circles and eventually blossom forth as the "sweet girl graduates" or the clean strong boys discarding knickers.

Just watch that hardened old city coddler open up his home paper—it is the first thing he picks up out of his bunch of mail—and what can he find there to interest him? Angus McGugan's horse died yesterday; Peter McGregor will run for the county clerkship; Horace Jell hopes to win the secretaryship of the Hilltown Agricultural Society; Lydia Munger has opened a millinery store; Mrs. Brown lost her hand satchel in the butcherery; Dr. Dorland is attending Clara Brown, who is down with a severe cold; Mrs. Plater broke her ankle and is in the county hospital.

Yet though he smiles at the old-time styles and expressions he enjoys it all over and over again, for it takes his mind back home where his wonderful boyhood days—happy days—were spent.

WILL BOOST HOME PAPERS

Week of November 7-12 Set for Nation-Wide Endeavor.

"Subscribe to your home town paper."

This is the slogan of a new nationwide movement backed by the National Editorial Association and other agencies.

The movement has back of it far more than a selfish desire on the part of newspapers to acquire increased circulation, for it is, in effect, a step toward the perfect unification of America by the strengthening of ties that bind everyone to his native soil.

The campaign is, moreover, an excellent opportunity to boost the home town. The men and women who were born and reared here have, some of them, been away for many years and many important changes have taken place—changes in which they would be greatly interested. It is more often the case than not that private correspondence overlooks these changes, however carefully one might attempt to write "the news" in a letter.

The newspaper, on the other hand, prints all the items of interest, large and small, and is the ideal medium through which to keep in touch with in the old home town.

Towns Need Eye Opener.

Said a New York state business man the other day: "There is hardly a town in the country that does not need to have its eyes opened to the kind of work its newspapers do, week in and week out, and year in and year out, with rarely if ever a word of public appreciation and backing."

The Most Important

ANNOUNCEMENT

We have ever made:

We control the entire output of the mill on MILL-SHRUNK, NO-FADE DENIM. This means that every yard of America's best blue denim will be made into Oshkosh B'Gosh Overalls

Overall Wearers! Good News!

This is the greatest overall cloth ever woven.

It does not fade—

Wash it and wash it and the rich, blue color remains the same. How satisfying it is to know that one's overall will never have that pale-gray, washed-out look!

It is mill-shrunk—

This cloth is woven 30 inches wide—then shrunk to 28½. It pleases the wearer to know that the comfortable "fit" lasts as long as the overall.

It wears longer—

The wear of an overall is in the weave of the cloth. Loose weave—little wear; close weave—long wear. This cloth is closely woven.

Hence the famous guarantee—

"They must make good or we will"
