The Model Dry Goods Store.
An Eastern Jobber recently consigned us 1,237 yards of white goods consisting of Nainsook Checks, Satin Stripes and Plaids, Lattice Plaids, Cable Cords, Corded Mulls, etc., ranging in price from 10 cents to 33 cents per yard. These goods must be closed, and in order to do it quick we have inaugurated a great white goods special sale, beginning Monday May 21st for one week only, after which regular prices will be sustained. Now a great many of you have seen these goods and have told us they are cheap at the marked prices. Every patron of this special sale will be refunded one-fifth their purchase money, an illustration of the liberal inducement we offer in these white goods is, a piece worth 30 cents less a fifth of this price makes the goods cost you precisely 24 cents per yard, amounting to an economy of 72 cents on a 12 yard dress pattern or 20 per cent. Think of this and buy white goods during the special sale. Come early while the line is unbroken. Come in the morning! J. H. R. Lyle.
