KEELER ARRIVES HERE TODAY
WILL WORK OUT AT 2 O'CLOCK

With the arrival of "Sugar" Willie Keeler here today, Promoter Kinch claims to have nearly all the details completed for the 22 round boxing card to be held here February 20 at the Pueblo Athletic club.

Keeler will start training this afternoon at 2 o'clock at the Dixon-Miller pool hall where local fight fans will be able to see him go thru the work for his main event bout with Jack Smith, who is training at the Pacific coast. Smith will start his training this afternoon at 2:30 o'clock at the Mecca.

Plank is expected to arrive in Pueblo in the next few days, to complete training for his six round semi-final with Joe Coffey.

Special arrangements are being made to give the local fans a high class boxing exhibition and the club will expect an urgent request that all lady boxing fans attend this fight event, according to Promoter Kinch who says he is solidly behind clean sports.

Referees for the coming fight card have not been named but it is understood that Frank Morreau, Jim Byrne, Shorty Adams and two other men are being considered.

Keeler is reported to be in great fighting condition and has been training at the Windsor gymnasium in Denver since his fight with Harvey Perkins at Casper last month. He has been boxing with Cowboy Padgett and

other heavyweights in the past week and will enter the ring in physical trim. Smith has been training hard in the past week but has found it difficult to get suitable sparring partners of his weight that could make things lively and give him a real strenuous workout.

Joe Coffey will be seen at the Mecca today. He has been training at the City Y. M. C. A. this past week with Mickey O'Toole. Both Coffey and O'Toole are rounding into good shape and predict they will win their battles. Coffey will face Kid Plank for the third time, the local fighter holding a draw and a decision over Kid Plank. Mickey O'Toole will battle the hard hitting Battling Molly, who waded his way thru the amateur tournament here via the key route. Molly was a dangerous kick in either of his gloves and O'Toole does not believe in taking any of the snap out of them until he has sent in the hard wallop he is capable of sending into an opponent for a quick decision.

Gloves for the main event and semi-final have been secured. The gloves will be on exhibition at two of the downtown stores. Promoter Kinch has selected for his fight show on February 20, there is every indication that the fans are going to see one of the best cards put on in this city.

WILSON MADE PRESIDENT
STATE ATHLETIC BOARD

J. H. Wilson of Rocky Ford, representing the Arkansas Valley league and the South Central basketball league was elected president of the board of control of state athletics at a conference held at the Antlers hotel in Colorado Springs yesterday. Mr. Corey, principal of the South Side high school of Denver was the former president of the board.

It was decided at the meeting that the basketball championship will be held by the "round robin" system of elimination between the champion basketball club of each division and league, to be held at Boulder on March 3, 10 and 11. Standard officials will be used, and it is probable that M. N. Porter and Hacksonson of Denver will be two of the officials chosen from the three to be selected.

CARL MORRIS GIVES
FLYNN HARD BEATING

FORT WORTH, Texas, Feb. 11.—Jim Flynn of Pueblo, the only man ever credited with knocking out champion Jack Dempsey, was today searching for leeches to relieve the swelling around both of his eyes as the result of a terrific beating administered to him last night by Carl Morris of Tulsa, Okla., the original white hope. The bout went ten rounds. Morris toyed with the veteran, trying only once for a knockout. He said after the fight the beating he gave Flynn was in retaliation for a similar beating he received more than ten years ago when he started in quest of the heavy weight title.

ROBERT STEWART IS
CHECKER CHAMPION

—GLASGOW, Scotland, Feb. 11.—(By The Associated Press)—Robert Stewart, Scotch checker champion, today won the international championship by defeating the American champion, Newell W. Banks, of Detroit, Mich. Over a series of forty games Stewart won two and Banks one with 27 games played to a draw.

Stewart and Banks began their series of forty games on January 25. Their match had been hanging fire for five years, ever since Banks defeated Alfred Jordan, the English champion. At that time Stewart contested Banks' claim as an international champion, but refused to leave Scotland to defend his claim.

Stewart scored his first victory in the present series on the second day of the match and won his second game four days later. Banks won his only game on Tuesday of this week. His only victory was won thru a "Denny" opening.

CENTRAL DEFEATS
TRINIDAD 29-12Wildcats Take League Lead;
Miners Drop to Fourth Place

ED FRIEDMAN
Central defeated Trinidad in the last half of a hotly contested cage game last night when the final score was 29 to 12 in favor of the local hoopers. Trinidad made a flying start, scoring 6 points before the Wildcats were able to drop the sphere in the cage. At the end of the first half the score stood 9 to 8 in favor of the visitors but the Wildcats were too much for them in the second half.

Captain Bonifidi called a conference after the first few minutes of play in order to try to check the many fouls that were being committed by his team. The game was roughly played thru and the players were called from the game before the end while the others had fouls checked after their name. Barta of Central and Bonifidi of Trinidad were taken out almost simultaneously near the end of the second half because of personal fouls.

Time was taken out during the first half because of an injury sustained by Bonifidi, while time had to be called out in the second half for Helger.

Both teams played exceptionally well and the spectators were kept intensely interested in the exciting game. The Miners displayed an excellent brand of defensive playing preventing many attempts at the netted hoop and continually breaking up the wildcat's passes.

The Central team did not show their regular polished team work during the first half but worked themselves into condition in time to take the honors of the game.

The curtain raiser game between the Wildcats and the Lakers school proved to be a farce and too slow for interest.

The Central squad played all around their opponents and defeated them to a tune of 31 to 9.

ONLY ONE WOMAN IN
30 FOR PROHIBITION

NEW YORK, Feb. 11.—Only one woman of more than 20 stood up today at a meeting of the women's Democratic club when the chairman called for a rising vote of those in favor of prohibition. The vote followed an attack on the Volstead law by Miss Elizabeth Marbury, only woman member in this state of the Democratic national committee.

It was her belief that the prohibition law never would be observed and that fully 80 per cent of the people of New York city violated the Volstead law continually.

"We women," she said, "would never advocate the return of the unrestricted corner saloon but we have got to do something. We know that the Volstead law is not being observed and I throw down my untitled sword and say it never will be observed. I clamor here and now for a provision that will give us light wines and beer."

Mrs. George H. Childs, president of the club then called for a vote declaring that she didn't think any one took the law seriously.

Mrs. William Brannan of New Jersey stood. She explained that she was not in favor of prohibition but rather of enforcement of the law and added that she drank home brew whenever she could get it.

As a result of the late war there will be comparatively few representatives of Continental royalty at the coming wedding of Princess Mary.
