## MOTHER, QUICK! CLEAN CHILD'S BOWELS WITH "CALIFORNIA FIG SYRUP"

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste out of the bowels, and you have a well, playful child again. Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

## Flat Pieces All Ironed—and others all starched for ironing

The saving of time in having the family washing done the Colorado Laundry way is not only in the washing itself. That alone is a big item of interest to the home executive.

All flat pieces in a Family Bundle are sent back ironed and ready to put away. Think of the time saved. No ironing of sheets, table cloths, pillow slips, and so on.

The other things are all starched when they are returned—starched with the very highest grade of wheat starch, but only where needed.

Considering the saving in time—the saving in actual drudgery, in soap, in fuel and other wash day expenses—the home executive is way ahead when she has washing done the Colorado Laundry way.

And the cost? We can show you better than we can tell you.
