QUESTIONS ANSWERED.

Yes, August Flower will cure the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration, heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the action of the nervous and organic system, and that is all they took when feeling dull and bad with headache and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sample bottles at Butts drugstore or Brown Drug Co. Should be in every household medicine chest. It affords certain relief.

Anything in nice fresh canned meats can be had at De Voe's.

J. W. Watkins will loan you money on personal property and real estate.
