Persons who suffer from indigestion cannot expect to live long, because they cannot eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible. and the best method of doing this is to use the preparation known as Kodol The Brainerd & Northern Dyspepsia cure. It digests what you eat and restores all the digestive organs to perfect health. At Mayo's Drug store.
