FUNERAL SERVICES FOR MRS. BOYCE ARE HELD

Last Rites Conducted At Congregational Church At Argyle Tuesday Afternoon.

Funeral services for Mrs. Nellie Boyce, aged 52 years, who was killed in an automobile accident in California last week, were held in Argyle yesterday afternoon. A large number of Warren people attended the services which were held from the Congregational church of Argyle. Rev. Baker conducted the services.

A newspaper clipping from a California newspaper received this week by Clarence Schultz, contains the following account of the accident:

"Mrs. Nellie Boyce, aged 52 years, was instantly killed in an automobile accident at about ten o'clock Sunday night at the turn in the highway above the Gosling ranch, a mile or so north of Napa.

In the car at the time were: Mr. and Mrs. Lloyd Crellin, Miss Marion Wilson of Santa Rosa, a sister of Mrs. Crellin, and Mrs. Nellie Boyce.

It seems that Mrs. Boyce had relatives in Vallejo and had been spending the day there, and the Crellins had come to town to meet her at the electric car in the evening to take her back to the ranch.

They started from the city along the highway to the north and Mr. and Mrs. Crellin's big Cadillac was swinging along at a high rate of speed when they approached the curve beyond the Gosling place.

Here the machine left the road. The tracks show that it tilted up on two wheels and ran along for several yards and then came back to all four wheels only to turn completely over and over.

Mrs. Boyce was thrown out on the highway and she was instantly killed. The others were carried into the ditch with the machine. Mr. Crellin was badly cut about the face and head. Mrs. Crellin also received numerous painful, though not serious, bruises. Miss Wilson escaped unscathed.

This forenoon A. G. Rogers, a nephew of the deceased, came to Napa to take charge of the remains. He directed Mr. Pinkham to prepare them for shipment to Minnesota."

Mrs. Boyce was born at Reedsburg, Wisconsin, Dec. 25, 1868. She came to Argyle, Minn., with other members of the family in the early 1880's. Until her marriage she was employed as a teacher in the rural schools of the county. After the death of her husband she was employed as housekeeper in the home of Clarence Schulz in Warren for about four years. During her residence here she was a very active worker in the Rebecca lodge and in the W. C. T. U. Mrs. Boyce possessed in a marked degree the noble womanly graces and virtues which spread sunshine all about her and endeared her to a large circle of friends. Her memory will long be cherished in the hearts of all who knew her in life. She is survived by a daughter, Mrs. Everett Wadsworth, of this city, by her twin brother, Gail Kivel of Crookston, and many other relatives in this state and elsewhere. She left Warren over a year ago to visit relatives in California, and there she was suddenly called to the great beyond. Peace to the memory of a good, true woman.

PUPILS SCORE TRIUMPH IN NURSERY OPERETTA

(Continued from first page.)

and the singing of the younger children was especially pleasing. The performance was carried through in a smooth and pleasing way and each song and dance followed in good accord with the play. The special dances by the various fairy groups and nursery characters were exceptionally pleasing and entertaining.

Mrs. Blanche Leigh Erickson, who was director of the operetta, and the parents and teachers who co-operated in its production, cannot be commended too highly for the wonderfully successful production. It was probably the best presentation of its nature ever staged in Warren. The total receipts for the two showings amounted to \$118.85, which will be applied to the fund to help pay for the playground apparatus. Two slides, six swings, two sets of teter-totters, and one giant stride have been purchased for the playgrounds during the past two years.

The following pupils participated in the operetta:

MEMORIAL DAY PLANS ARE GETTING WELL UNDER WAY

Memorial Day plans are well under way under the direction of Rev. A. T. Tolleys, chairman of the executive committee, who is arranging the details for the day. The parade in the morning will proceed from the high school to the cemetery where appropriate exercises will be conducted. Following this the speaker of the day, C. D. Dastland, attorney of Moorhead, will speak at the high school auditorium. Both of the Warren bands will be out for the day to furnish appropriate music for the occasion. All ex-service men will be in uniform and march in the parade, which will also include the school children of the city.

DR. WATTAM SUFFERS PAINFUL INJURY

When making a call in the country some time ago in his Ford coupe, Dr. G. S. Wattam severely sprained his back in trying to lift the car out of a mud hole in which it became stalled. The injury became more painful right along and last week it was found necessary to place his back in a plaster cast. At this writing he is improving nicely although still confined to his bed. In his younger days the doctor may have been able to lift a Ford car and throw it around like any other play-

thing, but at the time in life now reached he will have to admit, though reluctantly, that a Ford is no ordinary toy.

HORSE KILLS YOUNG FARMER

Earl Anderson, aged 22, was killed in a barn near Roseau, evidently by a vicious horse he was unharassing, as the body of the unfortunate man was found dead in the manger with the horse also dead beside him. It is thought that the horse either kicked or crowded Anderson up against the stall after he had taken the horse's collar off, and then crowded him into the manger and lunged after him. The body of the dead man was not found until two days later by neighbors. The young man had arrived about a month previous from North Dakota where he had taught school during the past winter.
