WM. MERDINK SURPRISED

ON BIRTHDAY

A number of friends of the Wm. Merdink family dropped in at their home unannounced last Thursday evening and informed Mr. Merdink that they expected to remain for a few hours to assist him in an impromptu celebration of his birthday anniversary. Following his recovery from the surprise occasioned by their unexpected visit, Mr. Merdink entered into the spirit of the occasion and, with the assistance of the other members of his household, helped to make their call a decidedly agreeable one for all concerned. Card tables were arranged and whilst contests occupied the party's attention for a large part of the evening, interspersed naturally enough with reminiscences covering the period of 35 years or more during which Mr. Merdink has been one of our most substantial and progressive citizens. The visitors departed in the early hours of the morning, after partaking of a delicious luncheon served by Mrs. Merdink, wishing Mr. Merdink innumerable recurrences of the happy occasion.

NEW DOCTOR FOR STEPHEN

Stephen will shortly have a second physician and surgeon to minister to the needs of the ailing portion of its population. Dr. R. H. Mattson, of Minneapolis, is the physician whose name will be added to the local roster of business and professional men this spring. He is a graduate of the University of Minnesota, receiving his M. D. degree with the class of 1919. Since leaving the medical school, he has been engaged in active practice of his profession at Minneapolis. His training and subsequent experience also covers all forms of minor surgery, and his references as a medical practitioner rate him among the best in the profession.

MRS. STEFANIAK PASSES

Mrs. Joseph Stefaniak, living southeast of Stephen, died at her home there on Friday, after a brief illness. She had failed rapidly following the coming of her stillborn child on Tuesday, the thirteenth born to her union with Joseph Stefaniak, a pioneer east of Stephen resident. Mrs. Stefaniak, who was about 45 years of age, is survived by her husband and a large family of children, and by a sister, Mrs. John Bukowski. Funeral services, held Sunday at the Florian church, were largely attended by friends and neighbors of the deceased, among whom Mrs. Stefaniak was highly regarded. The community's sympathy goes out to the sorrowing relatives who survive.

Agricultural Teacher Re-elected

H. E. Franson, Agricultural director at the Stephen High School, was re-elected for the school year 1922-23 at a meeting of the Board of Education held Monday evening. Mr. Franson, in addition to his agricultural work, has had charge of laboratory work in botany and chemistry, and has also coached all high school athletics. His services in all departments having the unanimous approval of the board. Mr. Franson's salary for the coming term was fixed at \$2,000 for a period of eleven months, a reduction of \$200 on the present figure. This reduction, as well as similar slashes in the salary schedule of practically the entire teaching staff, is in line with the policy adopted by a majority of the Minnesota districts, and in the board's opinion is actually the equivalent of a substantial increase when gradually lowering price levels in other lines are taken into account.

Knute H. Larson returned on Tuesday from Warren, where he had been ordered by the army authorities to report to Dr. Meland for a physical examination. Knute inhaled a copious draught of German gas while serving in the A. E. F., and has not yet entirely recovered from its effects.

Mrs. Geo. W. Eastburn, who was taken to the Warren Hospital last

week following a severe illness underwent a second operation on Monday. Mr. Eastburn, and Dr. and Mrs. H. V. Eastburn, who have visited her frequently during the week, report Mrs. Eastburn showing rapid improvement following the operation.

Harry Walker left on Tuesday evening for Buffalo, Minn., to be present at the funeral of his father, H. T. Walker, who died at his home in that city on Monday. Mr. Walker, who had passed his 90th birthday, is survived by five daughters and three sons; among them are Mrs. J. E. Hunter and Harry Walker of this city, and Stuart Walker of Lidgerwood, N. D., formerly a practicing physician at this city.

Matt O'Reilly arrived Monday from East Grand Forks, and will spend the week here getting seeding operations under way on his farms north of town. Matt found the idleness of his winter sojourn in the Forks rather depressing, and states that during the winter he visited practically every section of the Red River Valley. "No part of it," says Matt, "has anything on our own territory. We've better roads, better ditches and drainage systems, better schools—we're out in front in every line, and our fertile soil is going to keep us there."
