

## WARREN SHEAF

JOHN P. MATTON,  
Editor and Prop.

Published Every Wednesday.  
Entered in the Post Office at Warren  
as Second Class Mail Matter.  
Official paper of Marshall County.

The "moonshine" plant is more  
dangerous than the sow thistle. Both  
must be eradicated.

The County Board of Red Lake  
county has appropriated \$3,000 for  
farm bureau maintenance for another  
year and Kittson county \$2500.

It is reported that about a million  
and a quarter people are on a strike  
throughout the nation. And the strange  
part of it is that the fellows who are  
at work have to pay the bills.—Moor-  
head News.

An exchange calls attention to the  
fact that it is 25 years since D. W.  
Hines, of farmers railroad fame, was  
committed to the Jamestown, N. D.,  
asylum, a hopeless maniac, a condition  
that was the result of excessive study,  
fasting and prayer.

Bill Noonan, the humorous editor of  
The Baudette Region says that if he  
is elected to the legislature that the  
first side-splitter he intends to intro-  
duce is a bill calling for straight jail  
sentences for drunken auto drivers  
with their licenses taken away for a  
year. That will be a good law pro-  
vided the drivers can be made to see  
the joke before they hurl themselves  
and others into eternity.

The Minnesota State Fair this year  
will offer coupon admission tickets at  
reduced rates at advance sale through  
banks. Each ticket will contain six  
admission coupons and will sell for  
\$3.00 or at the rate of 50 cents an  
admission. The regular charge per  
single admission is 75 cents. The  
tickets are transferable and will be  
an accommodation that will be ap-  
preciated by families or groups of fair  
visitors.

The Thief River Falls Co-operative  
Creamery paid out to its patrons more  
than \$40,000 during the month of  
June. There were 130 patrons who  
received more than \$50 each during  
the month. Of this number 23 re-  
ceived more than \$100 each during  
that month, the highest being P. Eng-  
elstad, who received \$525.34. The cow  
is making prosperous the farmers in  
the Thief River Falls district. She  
will do the same thing any where else  
if she is well treated.

### North Star College

The plastering of the dormitory  
rooms is now a thing of the past. A  
crew of carpenters are now busy do-  
ing the finishing work. Then comes  
the plumbing and heating, and then  
finally the painting and varnishing.  
Everything is looking favorable thus  
far and no doubt all will be in tip top  
shape Sept. 12.

The Luther League of the Swedish  
Lutheran church of Thief River Falls  
has guaranteed \$25.00 towards furnishing  
one of the rooms in the dormitory.  
A social will be given for this purpose  
and the members are ready to donate  
everything above the stated sum. Let's  
hope that it will reach \$50.00. Now  
of course, we hope that other Luther  
League's in the district will arrange  
to donate a certain sum or guarantee  
the furnishing of a room.

Mrs. Frank Quist entertains the  
Ladies' Aid of the Swedish Lutheran  
church at the College on Friday, this  
week. The men are invited for supper.

Mr. Sjostrand filled Rev. Mattson's  
pulpit at Alvarado last Sunday evening.

Dr. Swenson and family are ex-  
pected home Aug. 11. They have en-  
joyed a few weeks at one of the lakes  
in Ottentail county.

Wanted: A crew of men to law  
floors.

### HEDQUIST-GAGNON

The wedding of Miss Emma Hed-  
quist, daughter of Mr. and Mrs. H.  
Hedquist of this city, and Mr. Ken-  
neth J. Gagnon, of International Falls,  
was solemnized at six o'clock in the  
evening July 20th at the bride's home.  
Rev. A. O. Lundeen of the Baptist  
church of Warren performed the cere-  
mony. Miss Irene Barsaloux presided  
at the piano and played the wedding  
march as the party entered the living  
room where the ceremony took place.  
The bride was attended by her sister,  
Miss Marie Hedquist, and D. E. Mori-  
cal, of Walker, Minn., performed the  
duties of best man.

The rooms were nicely arranged in  
color scheme of pink and white flow-  
ers. A large arch beneath which the  
couple stood was made of candytuft  
and sweetpeas, while the table decora-  
tions were pink roses and ferns.

The bride was attired in her travel-  
ing suit of dark blue with hat to  
match and carried pink roses. Im-  
mediately after the ceremony a ban-  
quet was served and the young couple  
left on the flyer for a wedding trip  
to the twin cities, Duluth, Virginia  
and Proctor. After August first they  
will be at home at International Falls  
where the groom is bookkeeper in the  
shipping department of the Minnesota  
& Ontario Paper Co.

The bride was born and raised at  
Argyle, is a graduate of the Argyle  
High School and of the Moorhead  
Normal, and is a young lady for whom  
all Argyle has the highest regard. She  
has taught in the public schools for  
some years, the past two terms at In-  
ternational Falls. She is a young  
lady of excellent qualities and good  
judgment and will make the home  
over which she presides a happy one.

The best wishes of the people of Ar-  
gyle go with the young couple.—Argyle  
Banner.

Mr. Businessman! Are you sending  
your subscriptions for daily newspapers  
and trade magazines through the  
Sheaf? A liberal commission is al-  
lowed us by the publishers on all sub-

at these places.

Oscar Johnson, who formerly oper-  
ated a meat market in the city, re-  
turned last Thursday from a visit to  
Sweden where he went in April last  
for the benefit of his health. His  
health has improved greatly while  
away and he has enjoyed his visit  
very much. Conditions in Sweden he  
says are fast becoming normal and  
food is abundant and cheap.

J. P. Lein, one of the old timers of  
the county is over from Holt visiting  
with his old friend L. M. Olson for  
a few days this week. Mr. Lein is  
office.

now 87 years old and quite spry for  
his age. He was born at Frosta, near  
Trondhjem, Norway, in 1835, came to  
America in 1871 and to Marshall  
county about 1885, where for many  
years he was engaged in farming in  
town of Fork and was also postmaster  
of Fork post office. For a number  
of years now he has made his home  
with a daughter and son-in-law at  
Holt. The many friends of the old  
pioneer hope he may live until he be-  
comes 100 years old.

accompanied by his wife and other  
members of his family motored thru  
Warren last Friday en route to Ste-  
phen to visit a son, Dr. Roger Matt-  
son, who has recently located in that  
village. Mr. Mattson, Sr., belongs to  
the same sturdy and numerous pion-  
eer family that settled in Goodhue  
county, Minn., in early days and to  
which Col. Hans Mattson, a former  
Secretary of State, belonged. He is  
now County Judge of Eddy county  
and was for twenty years the editor  
of the Eddy County Provoct. One son  
is a candidate for States Attorney in  
Eddy county this year and another  
son is holding down a county office, if  
we remember rightly.

"Cico," the new liquid paste, always  
ready for use. Handy for use in of-  
fice or home. Try a bottle, only 10  
cents. For sale at the Sheaf office.

Anything lost? A Sheaf want ad will  
bring it back. Anything found? Get  
the owner with an ad. Anything you  
want to buy? Anything you lack? Ad-  
vertise and get it—that's the latest fad.  
And it's quite a useful notion in every  
sort of way. For it's bringing in the  
dollars for the wise ones every day.  
Why not try a want ad? Say, do it  
right away.
