An amendment to the constitution, making the sessions of congress biennial instead of annual, was offered and referred to a committee with instructions to report at the next annual meeting. An election of officers was taken which resulted in the unanimous election of Mrs. Julia Ward Howe for president. The board session was taken up by reading papers by Prof. Mitchell, P. H. D., on "The meterological and astronomical phenomena of the last few years." By Miss Alice Fletcher, of New York, on "Educational training of Indian women," and by Mrs. Mary F. Eastman, of Massachus "The merits of women as educators."

Watching Riel. OTTAWA, Oct. 31.—The government is very reticient regarding the reason for collecting such a large force of mounted police at Prince Albert. Riel's movements have been carefully watched, but so far he has not done anything that would justify any interference with him. According to the latest account he is going around among the half breeds and other settlers professedly aiding them in pressing their claims in a legitimate man-ner, but the government authorities look upon his actions very suspiciously, and the police have been massed in the vicinity for the purpose of preventing anything like an

All strife for getting more votes seems to be over. Young Arctander, a brother of our district attorney, John W. DYSPEPSIA.

Sedentary habits, mental worry, nervous excitement, excess or imprudence in eating or drinking, and various other causes, induce Constipation followed by general derangement of the liver, kidneys, and stomach, in which the disorder of each organ increases the infirmity of the others.

The immediate results are Loss of Appetite, Nausea, Foul Breath, Heartburn, Fiatulence, Dizziness, Sick Headaches, failure of physical and mental vigor, distressing sense of weight and fullness in the stomach, and increased Costiveness, all of which are known under one head as Dyspepsia.

In every instance where this disease does not originate from scrofulous taint in the blood, AYER'S PILLS may be confidently relied upon to effect a cure. Those cases not amenable to the curative influence of AYER'S PILLS alone will certainly yield if the PILLS are aided by the powerful blood-purifying properties of AYER'S SARSAPARILLA.

Dyspenties should know that the longer

Dyspeptics should know that the longer treatment of their malady is postponed, the more difficult of cure it becomes.

Ayer's Pills Never fail to relieve the bowels and promote their healthful and regular action, and thus cure Dyspepsia. Temporary palliatives all do permanent harm. The fitful activity into which the enfeebled stomach is spurred by "bitters," and alcoholic stimulants, is inevitably followed by reaction that leaves the organ weaker than before.

"Costiveness, induced by my sedentary habits of life, became chronic; AYEN'S PILLS afforded me speedy relief. Their occasional use has since kept me all right." HERMANN BRINGBOYN, Newark, N. J.

"I was induced to try AYER'S PILLS as a remedy for Indigestion, Constipation, and Headache, from which I had long been a sufferer. I found their action easy, and obtained prompt relief. They have benefited me more than all the m 'licines ever before tried." M.V. WATSON, 182 State St., Chicago, Ill.

"They have entirely corrected the costive habit, and vastly improved my general health." REV. FRANCIS B. HARLOWZ, Atlanta, Ga.

"The most effective and the easiest physic I have ever found. One dose will quickly move my bowels and free my head from pain." W. L. Page, Richmond, Va. "A sufferer from Liver Complaint, Dyspepsia, and Neuralgia for the last twenty years, AYER'S PILLS have benefited me more than any medicine I have ever taken." P. R.
