THE GOVERNOR REFUSES TO Grant the Release of Col. Bend From Arrest.

It has been known for several days that a number of Col. Bend's friends have been active in circulating a petition to present to the governor for the release from arrest of the colonel during the time of the encampment at White Bear, that he might officiate as commander of the camp.

About 8 o'clock yesterday afternoon the petition was presented. Capt. Ed Bean had previously been in the city and had been appointed to it would be convenient for him to receive a call from a committee at 3 o'clock and had received an affirmative answer.

THE GOVERNOR'S REPLY. Gentlemen: You are certainly entitled to a candid response to this presentation.

I will take this occasion to say that I care nothing for any personal differences that may exist between Col. Bend and the adjutant general of the state.

The court has been very constituted and the whole business referred to its adjudication. I do not think it would be wise for me to take any action that would change the status of the case presented to the court.
