The Elastic Strapping is the only strapping in the United States that is put up by men who have been trained in the art of strapping, and who are known to the public as "Elastic Strappers." It requires no cooking, keeps the iron from sticking and linen from blistering, and its stiffness and beautiful polish they have when new from the factory. Beware of imitations. See the names J. C. The valuable farm of 150 acres belonging to the estate of the late Dr. John Steele, has been sold at auction on

Saturday, Sept. 4,

at 11 o'clock in the forenoon at the office of Kavanagh & Dawson, Hotel Ryan, corner of Sixth and Robert streets, the farm of 154 acres known as the Dr. Steele Farm. This valuable piece of property is delightfully situated on the banks of Roger's lake, and on the line of the Iowa division of the Chicago, Milwaukee & St. Paul railroad, and is but two and a-half miles south of the city limits. It is considered to be the best farm in Dakota county for its size, 100 acres being under cultivation, the remaining 54 acres being the finest of pasture and timberland. There is not a single foot of property in the whole place but can be cultivated. That portion of the property that has lake frontage is high and very sightly, and would make the most charming suburban villa property that can be found within twenty miles of the city. The balance of the property can be subdivided into five and ten acre tracts that would find ready sale at good prices for gardening purposes. To anyone who would desire to make rapid transit to the city are already at hand, the Iowa division of the Milwaukee road passing through the property. This is rare opportunity for capitalists and investors, as there will be an advance in values in all acres in this direction of from 100 to 200 per cent. within the next twelve months. The farm will be sold as a whole, although, were we permitted to subdivide the property, it would realize for itself a much greater price. At present the distance to the nearest railroad station is but a trifles, it being but one mile from Mendota. The terms of sale will be one-third cash; balance in one, two, three and four years at 8 per cent. in interest.
