### THE NUSHKA CLUB.

An Organization Made Up of the Best Society People. The Nushka Toboggan club, named after an Indian word for "Look, look!" is the bon ton club of young society people. It usually escorts the lady selected to lay the corner stone. Its organization dates from Nov. 15, 1885. W. H. Hyndman was its president for the first two years and M. J. Boyle was its first captain. Since Mr. Boyle's term of office expired, J. C. Wall has commanded the "flaming Nushkas." Luther E. Newport was the lieutenant at the first carnival, and W. F. Peet secretary and treasurer. C. Wright was lieutenant last year, and J. N. Jackson filled the office of secretary and treasurer. This year the offices of secretary and treasurer are held by two men, Mr. Jackson being the secretary and Henry S. Johnson the treasurer. These gentlemen with Dr. Archie McLaren, the president, J. C. Wall, the captain, and W. N. Armstrong, the lieutenant, converted the first of the captain, and W. N. Armstrong, the lieutenant, tion dates from Nov. 15, 1885. W. H. the president, J. C. Carpenter's Look-out, on Summit avenue, is the club rendezvous, and weekly tramps are made from here every Saturday night to Merriam Park, where dinner is served. The Nushkas join the Wanitas in the occupancy of the Look-out, and the same brotherly spirit manifests itself in the fact that the Crocus hill toboggan slide, which is over 2,500 feet in length, and was erected at a cost of over \$1,000, is the joint property of the Nushkas, the Windsors, the Wani-Wanitas and the Town and Country club.

The club uniform is of cardinal cloth with black Grecian border, the ladies wearing comfortable ulsters of this ma-terial and combination. The toque is a combination of cardinal black, but the sash and stockings are

WINDSORS AFLOAT. One of the liveliest times ever enjoyed by the club was during the first Carni-val on the return from the Stillwater excursion, when the "Wakoutas to the

Windsors. For a little while the car was the scene of a vigorous but good-natured tussle. Finally, Will Adams was floored, and the Wakoutas made a

TOWN AND COUNTRY CLUB. Two Hundred Well Known People Organized for Sport, Summer and Winter.

It will be a long year of fun this year, with the three eights in it and its 366 days, for the Town and Country club, so recently organized as an all year round club, bent both upon winter carnival sports and summer suburban pleasures. This club includes the elite of the city in its circle of exclusive membership. It was organized on the night of Dec. 8, 1887, at a meeting which had responded to a call issued by Manly B. Curry and William Henry Patterson. The idea of such a club originated in the fertile brain of Mr. Patterson.

Toques are worn by the gentlemen, but the ladies have the privilege of wearing anything they please for their head-gear, from a little skull toboggan cap to a coquettish Tam o' Shanter.

SKIN, SCALP, BLOOD Having been a sufferer for two years and a half from a disease caused by a bruise on the leg, and having been cured by the CUTICURA REMEDIES when all other methods and remedies failed, I deem it my duty to recommend them. I visited Hot Springs to no avail, and tried several doctors without success, and at last our principal druggist, Mr. John P. Finlay, (to whom I shall ever feel grateful), spoke to me about CUTICURA, and I consented to give them a trial, with the result that I am perfectly cured. There is now no sore about me. I think I can show the largest surface where my sufferings sprang from of any one in the State. The CUTICURA REMEDIES are the best blood and skin cures manufactured. I refer to Druggist John P.
