of Course.

New Haven, Conn., May 24—Sister

C. Bradley, center of the Merchants National Bank

heist, is not only a homicidal maniac but a

deceitful and treacherous fraud. His sympathy

motive has been revealed in the

strange fact that his

enemies are

members of the same religious sect. The

Church of the Immaculate Conception, which

Bradley attended for many years as a child, is

reported to have sent him a check for

$70 representing the money he

for his
