CAMP LIFE IS DULL

BOYS OF THE SECOND FIND LITTLE TO BREAK THE MONOTOUS ROUTINE.

GENERAL BEND A VISITOR.

EXCURSIONISTS FROM ST. PAUL TO THE NUMBER OF 250 ENLIVEN THE DAY.

ARTILLERY MEN AT PRACTICE.

Good Scores Made by Men on the Rifle Range and on the Lake Front.

LAKE CITY, Minn., July 8.—The Second regiment at Lakeview was favored with pleasant weather today, though the atmosphere was somewhat oppressive the greater part of the day. The second day of the encampment has been an unusually quiet one, but few incidents occurring to break the monotony of the regular camp routine. An extended order drill and evoltions of the regiment occupied most of the forenoon, and in these particular manoeuvres some excellent progress is being made.

The steamer Flora Clark and barge conveyed a party of about 250 excursionists from St. Paul and points below, to Lakeview in the afternoon, and the guests were pleasantly entertained about camp till early evening.

Rifle practice was begun at the 200-yard distance this morning, and a fair average of scores were made. Those of eighteen and over are given below: (Ten shots each; possible score of fifty.)

Practice will be completed at the 200-yard distance tomorrow morning, and the afternoon will be devoted to firing at the 300-yard range.

Gen. Bend arrived at Lakeview this evening and will doubtless remain through the rest of the encampment. He received a combined review of the mounted troops and regiment this evening, and a creditable showing was made in both commands.

The following officers were detailed for guard duty this evening: Officer of the day, Capt. Child; senior officer of the guard, Lieut. Gallieu; junior officer of the guard, Lieut. Mueller. Tomorrow—Officer of the day, Capt. Allen; senior and junior officers of the guard, Lieuts. Buschers and Wood.

Capt. Ed. S. Bean, of Company D, First regiment, was a visitor at camp this evening.

Marked progress is being made in the routine work of the artillerymen, under Maj. Libbey's command. A number of shots were fired from the Gatling and two three-inch rifles today, at a target anchored 1,200 yards out in Lake Pepin. Though no examination has been made, yet it is known that a number of good hits were scored. The mounted troops held an exceptionally fine mounted drill on the parade ground this morning.

Major M. C. Wilkinson, of the Third United States infantry, arrived from Fort Snelling last evening. The major was delayed from accompanying his regiment in their march to Lakeview, on account of a painful operation which had lately been performed upon his eyes.

Fighting an Land Grant.

FARGO, N. D., July 8.—The much talked of suits instituted by settlers against the Northern Pacific indemnity selections were begun this morning before Register Sunderhauf, in the local land office, on a special order issued by Commissioner Lamoreaux, to give plaintiffs opportunity to show settlement was made prior to valid selection by the Northern Pacific. The first case is that of J. M. Bloom, of Sargent county, who claims to have settled on land in 1884, and that the railroad did not select it till 1895. If Bloom wins, 200 other suits will be instituted at once, as plaintiffs were induced to contest by Attorney Davis, ex-receiver of the land office.

Broke His Back—Will Die.

Special to the Globe.

WINONA, Minn., July 8.—John Strott, a carpenter of this city, received fatal injuries by falling out of a second-story window of the Mississippi hotel here. He has just completed shingling the building, with several other workmen, and was about to take down the scaffolding. While in the second-story window and pushing down a large timber, he was pulled to the ground with the timber. He struck the sidewalk on his back and slid over the walk. He sustained a fracture of his spine between the shoulders, and besides sprained his wrist and hurt his shoulder. His body was put in a plaster of paris cast, but the physician has no hopes of his recovery.

OLD LADY MURDERED.

Missing Hired Man Suspected of the Crime.

WATERTOWN, Wis., July 8.—Mrs. Mary Bucher, aged eighty-one, was murdered in cold blood at her home in the town of Lebanon, near this city. Her body with a hole in the skull, evidently made with a heavy instrument, was found on the side doorstep. William Zelner, a hired man, is missing.

DUEL OFF.

Gen. Johnson Will Not Fight in Cuba.

HAVANA, July 8.—The proposed duel between Gen. Bradley E. Johnson and Senor Manuel Ampulla will not take place, as friends of the former have interfered and dissuaded the general from accepting the challenge, on the ground that it was irregular. Besides, semi-official influence will now, in all probability, prevent Ampulla from sending his seconds to Gen. Johnson. The challenge was received by the general, and in an interview he expressed his eagerness to fight.
